Everything In Readiness For Chowan County Fair Which Will Open Monday, Oct. 7th

Efforts Being Made to Delight All Who Attend

It's almost Fair time again for Chowan County and according to W. A. Perry, manager of the Fair this year, plans have been completed for the big event to be staged next week, October 7-12, at the American Legion Building on U. S. 17, two miles south of Edenton.

All who plan to attend this year's Fair can be assured that every effort has been made to furnish entertainment which will delight the entire family.

In the main building, educational and commercial booths will claim the attention of all. Agricultural, livestock and homemaker's exhibits promise to be plentiful and of very good quality.

Virginia Greater Shows has been secured to entertain and delight young and old alike. Concession stands will entice the appetite with an abundance of candied apples, cotton candy and home-style foods.

The premium list has been revised for this year's Fair, and good prizes are offered for winning entries.

In the booth exhibit line, the Home Feed and Fertilizer Company is again offering a handsome silver engraved trophy for the best educational non-commercial exhibit regardless of age or class. If the same organization

Edenton Aces Getting Ready To Tangle With Arch Rival, E. City Yellow Jackets, Friday

Idled due to no game being scheduled Friday night, Edenton's Aces have been practicing hard for two weeks and are setting their guns toward an arch rival, the Elizabeth City Yellow Jackets, Friday night of this week. The game will be played on Hicks Field, beginning at 8 o'clock and is expected to attract just about the largest crowd of the current season.

Both the crack Elizabeth City and the Edenton Band will be on hand to add color to the game, which always brings out a large crowd of Elizabeth City followers and Edenton fans.

Coach Bill Billings and the Aces realize they will be going against just about the toughest opponents of the season, for the Yellow Jackets are reported to be exceptionally strong this year and are touted to win the Class AA Conference Championship. To date they have won all four games played, their victims being Chowan College Jayvees, Roxboro, Washington and Roanoke Rapids.

Coach Billings has not been so favorably impressed by the

performance of some of the playing boys have done in the three games played, although they managed to win two and tie one. He has been directing his practice sessions toward ironing out the wrinkles he detected and it is altogether possible some changes in the lineup might be made for Friday night's game.

The Aces and Yellow Jackets met for the first time on the gridiron in 1926 and have played a total of 29 games. The two teams did not meet in 1928 and 1931. In the long series the Yellow Jackets won 23 of the 29 games. The first victory by the Aces was in 1934, when Edenton won the state Class AA Championship in an undefeated and unscored on record. The other victories came in 1935, 1937, 1948 and 1949, so that it has been eight years since an Edenton team has won from an Elizabeth City team.

The Aces are in good physical condition, but they will enter Friday night's battle decidedly the underdogs. However, the Aces will make every effort to stage an upset so that a hard-fought game is in prospect.

New Visiting Hours Are Now In Effect At The Chowan Hospital

Tom Ridgeway, new administrator of the Chowan Hospital, announces a change in visiting hours, which went into effect Tuesday of this week.

The present schedule for visiting is from 10 to 11 A. M., 2 to 4 P. M. and 6 to 8 P. M.

"No children under 12 years of age will be admitted as visitors at any time," says Mr. Ridgeway, "which is for the benefit of both the patient and the children. The visitors will be limited to two per patient."

"Visiting is solely for the welfare of the patients. But, of course, there are exceptions to every rule. For example, if a patient is critically ill or before a patient goes to surgery, we will make arrangements for you."

The new visiting hours will add one hour, since in the past there has been no visiting hours in the morning. Mr. Ridgeway says that the first day of surgery the patient will not have any visitors outside the family. "As

Court of Honor One Of Largest Ever To Be Held In Edenton

Five Boys Promoted to Rank of Eagle Scout

What probably was the most outstanding Court of Honor ever held in Edenton took place Monday night in the Edenton armory when five Edenton Boy Scouts were promoted to the rank of Eagle Scout. The affair attracted a large group of parents and other friends so that it was the largest crowd ever to attend an Edenton Court of Honor.

A barbecue dinner from Chub's Place, was served after an invocation by the Rev. B. L. Raines, pastor of the Rocky Hock Baptist Church, and with the Scouts acting as waiters the guests lacked nothing in the way of service.

C. W. Overman, a former Scoutmaster, was master of ceremonies and at the outset he recognized Robert S. Marsh, president of the Rotary Club, sponsors of Troop 156, as well as the troop committee, George Alma Byrum, Elton Forehand, Bill Perry and Thurston Stallings. Mr. Overman is also a member of the committee.

Other prominent guests were also recognized which included Charlie Smith, president of the Albemarle District. Mr. Smith spoke briefly about a meeting of Scout executives held at Philadelphia and the national jamboree held at Valley Forge, pointing out the importance of work among Boy Scouts. He said he was especially delighted to see so many parents and adults at the meeting which, he said, speaks well for the future of Scouting in Edenton.

Scoutmaster Jack Habit was then introduced which brought a thunderous applause from the boys, as well as others present. Oscar Griffin and Adrian Wynns, assistant Scoutmasters, were also introduced. Special recognition was given to H. A. Campen, who for many years served as Scoutmaster and is given credit for the Scout movement in Edenton. Recognition was also given to Col. W. A. Free, Captain as well as his assistants and the den mothers. Gene Trautwein, Scout executive for the Tidewater Council was also introduced and expressed his deep appreciation for the large gathering and the interest being taken in Scouting.

Approximately 300 people attended the annual fish fry and meeting of the Chowan County Farm Bureau held at Chowan High School on Friday afternoon, September 20, according to President Marvin Evans. The Farm Bureau committee headed by Tom Asbell and his co-workers, fed the group in a very orderly manner. Fried fish, cole slaw, corn bread, pickles, etc., along with iced tea and bottled drinks presented a very appetizing meal. Following the feeding period, the group assembled in the auditorium for the evening meeting.

President Marvin Evans presided over the meeting. Minutes of the last annual meeting were read by Secretary Ellsworth Blanchard. Matters of a business nature were transacted. The nominating

committee headed by Chairman Lester T. Copeland presented their officers' slate as follows: Farm Bureau held at Chowan High School on Friday afternoon, September 20, according to President Marvin Evans. Recent Drive Results In 127 Members Enrolled

Gilliam Wood, who has been acting as temporary chairman of the Chamber of Commerce drive for memberships, announced early this week that a meeting will be held Monday night, October 7, at 8 o'clock in the Court House.

Mr. Wood points out that all who have enrolled as members are making an investment in Edenton, so that every member is especially urged to attend the meeting and have a part in selecting the directors, who will subsequently elect the various officers.

At present there are 127 concerns and individuals who have taken memberships in the Chamber of Commerce, but it is understood that a few more are still in transit.

Jaycees Sponsoring Observance Of 1957 Fire Prevention Week

Edenton Jaycees, with Stan Judd as chairman of the committee, will sponsor the observance of Fire Prevention Week which will be observed next week, October 6-12. During the week it is hoped citizens of Edenton and Chowan County will join in removing fire hazards, thus contributing to the curtailment of fires and the resultant damage, and help in the effort to make Edenton a safer place to live in.

Mr. Judd points out that in addition to the vast amount of destruction of property, fire is a savage killer, taking a toll of over 12,000 lives in America last year alone.

Mr. Judd also says that the reason for many fires is due to

carelessness. "Basements, attics and closets are prime breeding places for fire," he says. "They are crammed with cast off articles, greasy rags, dusters and the electrical wiring is usually poorly installed. Internal combustion may start a blaze in any of these spots and gain headway for hours without being noticed. Keep these places clean and free from rubbish. If rags or waste are to be re-used, keep them tightly sealed in a metal can."

Mr. Judd says a hand chemical extinguisher should be kept in every home with all members of the family instructed in its use. Each member of the family should also be drilled in what to do when fire breaks out.
