President, However, to Be Elected at February Meeting

At a meeting of the Edenton Woman's Club held last week, club officers, except the president, were elected to serve for the new year. A president will be elected at the club's next meeting, Wednesday, February 5.

The officers elected were: Mrs. Wesley Chesson, Jr., vice president; Mrs. Ralph Blades, secretary; Mrs. Elton Forehand, Jr., corresponding secretary; Mrs. George A. Byrum, treasurer, and Mrs. J. P. Ricks, Jr., historian. Installation of these officers will take place at the June meeting.

A quiz on the United Nations, a topic in keeping with the theme of the month, International Relations, was the program for the day. Mrs. Thomas Cross, Jr., conducted the quiz in which each member participated. A set of 10 questions were asked and each member contributed a penny for each incorrect answer, the funds being donated by the club to the Teen-Age Club. Mrs. Ernest J. Ward, Jr. was high scorer for the quiz.

P. S. McMullan, chairman of the Board of Public Works, spoke briefly to the organization on a sewage disposal plant for Edenton. This is a project in which the Woman's Club has been vitally interested for some time. Mr. McMullan outlined the progress made thus far on such a plant. He said his department and Town Council were backing the project. Initial steps have been taken to move this project along. He pointed out it would take some three years for this project to be completed, declaring a year and a half of this is required to select and procure a site, obtain Congressional approval and to go through all the red tape involved in such an undertaking. Actual construction of such a plant is expected to require another 18 months.

Joe Conger, Jr., was also one of the speakers at the meeting. His remarks had to do with the Jaycees' annual Distinguished Service Award banquet Wednesday, January 29, and members of the Woman's Club were invited to enter nominations for this honor.
