

Negro Home Demonstration News

By MRS. ONNIE S. CHARLTON, Negro Home Demonstration Agent

Information presented last week was prepared by J. B. Small, County Agent.

We wish to announce the winners in the Junior Canning Contest. Mary Louise Lassiter, Bray Hall, first place; Carolyn Askew, Edenton, second place, and Brenda Johnson, Mexico Road, third place.

Too many 4-H club girls who started this project did not complete the required activities. We ask parents to encourage and help their children to carry out information learned in 4-H club meetings, special training meetings and from local leaders and to complete all phases of the project. Remember 4-H'ers learn by doing.

This week, October 5-11, is National Fire Prevention Week. Fire prevention is our first defense against fire. This information comes to us from the United States Department of Agriculture in cooperation with the National Fire Protection Association. The slogan this year is "You Can Help, Stop Fires, Save Lives."

Heating
About one-third of farm fires start from defects in the heating and cooking system. Immediately repair defective chimneys, stove pipes, spark arresters and cooking equipment. Keep cooking vessels out of children's reach.

Never pour kerosene on burning fires.

Wiring And Electricity
Check for inadequate, defective and misused electrical wiring systems or appliances.

Check fuses and electrical equipment.

Be sure electric wiring is safe and adequate.

Fuse all electric circuits properly.

Keep electric equipment in good repair.

Never overfuse or tamper with fuses.

Don't use frayed outlet cords or defective appliances.

Storage
Check storage of fuels and other flammables.

Check storage areas for neatness and fire safety.

Store gasoline and flammables in approved containers and locations.

Clean storage areas and remove all fire hazards.

Never use toxic or flammable cleaning fluids indoors.

Never operate tractors or automobiles where exhausts or dripping gasoline can start a fire.

Lightning
Inspect lightning rods; they should be grounded and securely connected.

Check surge arresters at electrical entrances.

Maintain lightning rods, ground and arrester installations to provide safe protection.

Don't take chances—use lightning protective devices in dangerous areas.

Miscellaneous
Check home fire-fighting equipment.

Provide fire safety between buildings and firebreaks between fields and buildings.

Firewalls should be constructed where needed.

Protect buildings in dangerous areas.

Be sure water under pressure and extinguishing equipment are ready to fight fire.

Don't smoke in bed.

Never leave small children alone in a house.

Keep matches, medicines and chemicals safely away from children.

In Case Of Fire

1. Quickly get everyone out and away from the building on fire.

2. Call for help at nearest phone or make sure someone goes for help.

3. Then, try to keep the fire from spreading and concentrate on protecting other buildings, livestock and property.

REPRESENTING THE MOST progressive change in Pontiac Motor Division's 51-year history is the Catalina Vista. The beautifully contoured Vista-Panoramic windshield and large, wrap-around rear window provide unparalleled vision for driving safety. Absolute simplicity in styling is achieved with the twin "air scoop" grille housing dual headlamps and a low, cleanly styled body, topped by a slim-line roof. Vista models are also featured in the Bonneville and Star Chief series.

EXCITING FOOTBALL GAMES of the Week

By CLYDE SLADE

Coach Walter Hunter and the Edenton Hornets defeated Williamston High Monday night 14-12 in a hard fought battle to stay in the race for the Albemarle Conference Championship. The Hornets kicked to Williamston to start the game and in three plays Williamston had scored, but did not make the extra point. They kicked to Edenton but the Hornets were unable to move the ball and at the half time Williamston led by two TD's. At that time it looked bad for the Hornets who were unable to move the ball. But they came to life when James Drew made a 15-yard run to put the Hornets back in the game. William Madrey and George Simpson were the quarterbacks for Edenton and they did

a fine job. The key players were Pete Holley, James Drew, Sherman Horton, George Jernigan and Willie Bond. Drew made the first TD for the Hornets and Pete Holley crashed through the line for 2 extra points. Quarterback William Madrey made the other TD that gave the Hornets the lead. Be on hand next Friday when the Hornets play Roper High. The Edenton Aces lost a heart-breaker to the Elizabeth City Yellow Jackets Monday night 12-0. Robert White was the outstanding player for the Aces. Be with you again next week when I will bring you tips about the games of the week.

Vets' Question Box

Q—Can a veteran who is going to school under the GI Bill also get a GI loan with which to build a house?

A—Yes, provided, of course, that your lender will make the loan. Nothing in the law prohibits simultaneous receipt of the two benefits.

Q—The new \$10-per-thousand-of-insurance disability coverage, for GI insurance policy-holders, sounds like a good idea to me. I already have coverage under the old \$5-per-thousand-of-insurance plan, and have been wondering what the new income provision would cost. Would it be twice as much as the old?

A—No. Your additional payment for the new increased coverage would be very small. Any VA office will give you exact figures for the extra payment for your policy.

No race can prosper 'til it learns that there is as much dignity in tilling the field as in writing a poem.
