

### Checks Mailed For Premiums At Fair

### Any Who Have Not Received Their Check Requested to Report To Marsh or Leary

Premium checks were mailed October 30 to exhibitors who won prizes at the 1958 Chowan County Fair. A few letters have been returned because of insufficient address, improper address, etc. All persons who won prizes at the fair, but have not received their checks should contact either R. S. Marsh, president (telephone 3128) or Roy E. Leary, secretary (telephone 3317) immediately, as the Fair Association is anxious to complete paying the premiums as soon as possible. All premium checks must be cashed within 60 days after the check date, according to the 1958 rules of the Chowan County Fair Association. Any discrepancies in premium checks should also be reported immediately, so that any necessary adjustments can be made. "If your check does not agree with premiums won," says Mr. Marsh, "be sure to bring your claim tickets with you so that the difference can be determined."

### Chowan HD Clubs Seek Rocky Hock School For Headquarters

Home Demonstration clubs and Rocky Hock Boy Scouts made a request Monday at the County Commissioners' meeting to secure the abandoned Rocky Hock school building to be used by home demonstration clubs and the Boy Scouts.

A delegation appeared at the meeting with Miss Maidred Morris, home agent, acting as spokesman for the group. Accompanying her were Mrs. Willie Saunders, president of the Beech Fork Club; Mrs. Thurman Ashley, president of the Rocky Hock Club; Mrs. Florine Nixon, president of the Gum Pond Club; O. C. Long, Jr., Scoutmaster of the Rocky Hock Boy Scouts and the Rev. B. L. Raines, pastor of the Rocky Hock Church.

The group previously appeared at the meeting of the County School Board, and were informed that it had not been definitely decided whether or not the Commissioners desired to use the building as headquarters for the ASC office, now located on North Broad Street, for which rent is now being paid. The idea was considered at length and the Commissioners decided to confer with H. O. West of the ASC office and county school officials before any definite decision is made. There was some favorable comment relative to moving the ASC office and at the same time there were some objections. The Commissioners appeared favorable to the building being used by the home demonstration clubs and Boy Scouts, but stated that it would have to be sold at public auction. Miss Morris pointed out that the building would be ideal for club and community activities and that if purchased the property would be renovated and beautified so that it would be an asset to the community.
