### Ryland Club Awarded Top Honors at Program Held Monday Night

Five communities held the spotlight in the 1958 Chowan County Progress Contest. The white communities of Ryland, Center Hill and Oak Grove received high recognition at the Awards Program held at Chowan High School on Monday night. The two Negro communities will receive their awards at the White Oak School on Friday night at 7:30 o'clock.

On Monday night, the Ryland community led in awards. They received a prize of \$30 for having the most people, a total of 41, from their community attending the awards program. Several officer and committee meetings were held during the year. A Boy Scout troop was sponsored. A community Christmas party was held. A community hot dog supper was held. Approximately 100 people attended the community picnic in July. They helped build a new church and Sunday School rooms out of an old building. A new heating system was installed in another church and 12 Sunday School rooms added. There was an increase in the membership of the Farm Bureau and the Home Demonstration Club. A building fund was started for a community house. Thirty-two families planted shade trees and 37 families planted shrubbery. Six families installed bathrooms and three others constructed rooms for bath installation. Eleven families remodeled or refinished furniture and many more fine ac-

### Consecration Of St. Paul's Will Mark Milestone In Long History

By Jacqueline Ricks  
The consecration of St. Paul's Episcopal Church marks a milestone in her memorable 257-year history. The church will be consecrated on the Feast of the Conversion of Saint Paul on Monday, January 26, in an impressive ceremony.

The service will begin at 8 P. M. with the knocking on the door by the Rt. Rev. Thomas Henry Wright, D.D., Bishop of the Diocese of East Carolina, with the pastoral staff in accordance with the service for the consecration as found in the Book of Common Prayer.

Bishop Wright will be received by Dr. Frank Wood, senior warden, and David Warren, junior warden, and the vestrymen. The procession of distinguished churchmen will go up the aisle to the chancel.

This will be an auspicious occasion in the history of the Parish, which is the oldest Parish in the state, founded in 1701. The church is eligible for the

service of consecration at this time because it now enjoys full parish status, the building has been completely restored following a tragic fire in 1949, and for the first time since the fire the church is completely free of debt.

In addition to Bishop Wright, who will consecrate the building, the Rt. Rev. George Purnell Gunn, D.D., Bishop of Southern Virginia, will address the congregation. The Rt. Rev. Edwin A. Penick, LL.D., will conduct Evening Prayer, and he will be assisted by the Rt. Rev. Matthew George Henry, D.D., representing the Diocese of North Carolina and Western North Carolina. Each of these dioceses is somewhat associated with the life and history of the Parish, and the Episcopacy so assembled will symbolize "That unity and strength which the Episcopal Church enjoys."

The congregation will be welcomed to the ceremony by the

### Thomas Paul Griffin Is Chosen For Farm Technology Course Sponsored By State's Bankers

North Carolina's bankers long ago learned that good investments are not limited to stocks and bonds, treasury certificates or real estate.

In fact, for more than a decade, Tar Heel bankers have won a national award every year because of their recognition of another all-important investment—a sound farm economy in North Carolina.

The Key Banker for Chowan County is Richard S. Atkinson, vice president of the Peoples Bank & Trust Company.

This week Mr. Atkinson and George Lewis, farm relations officer of the Peoples Bank, announced that the bank will send Thomas Paul Griffin of the Cowpen Neck section, a young farmer, to Raleigh in February for a two-week study of the latest developments in farm technology. All expenses of the young farmer will be paid by the local bank. Griffin will attend classes at the School of Agriculture of North Carolina State College beginning February 2 and ending February 13.

A total enrollment of about 175 young farmers is expected

### B. B. Townsend BPW Speaker

An interesting talk on "North Carolina Laws of Descendants and Distribution of Property" by Braxton B. Townsend, vice president and legal advisor of the Peoples Bank & Trust Company of Rocky Mount, featured the January dinner meeting of the Edenton Business and Professional Women's Club held Thursday night at the Edenton Restaurant.

"Where there is no will left," said Mr. Townsend, "the court will appoint your administrator and your property will be disposed of by law." He pointed out that everyone should have a will. "Have an attorney draw up a will for you," he urged. "By so doing, you have the right to dispose of your property as you see fit. Failure to exercise this right by a properly drawn will means that your estate will be distributed strictly according to law, irrespective of the relative needs of your dependents, and will be handled by an administrator named by the court."

Mr. Townsend stated that a bill will be presented to the Legislature to revise the law of distribution of property. "If this bill is passed," he said, "then the man and wife will share equally. This

### Store Hours Recommended By C. Of C. Merchants Committee

A schedule of remaining holidays to be observed in 1959 and hours of operation for Wednesdays was recommended Tuesday by the Chamber of Commerce Merchants' Committee. Chairman Ralph Parrish said the schedule is being published with the recommendation that it be adopted by local merchants for the balance of the year.

"Should any merchant find that it conflicts with his present schedule, please get in touch with me or with the Chamber of Commerce," Parrish advised. "We wish to adopt a schedule which will be satisfactory to the maximum number of business firms

and at the same time suit the convenience of the buying public. We feel that uniform hours of operation which can be published will bring increased business."

Holiday closings recommended are Easter Monday, March 30; July 6 instead of July 4, which falls on Saturday; Labor Day, Thanksgiving and Christmas both December 25 and Saturday, December 26.

It was recommended to close at 1 P. M. on Wednesdays through September 30 and to remain open all day beginning October 7 through December. No change was recommended in the present Saturday evening closing hours.

### Leigh Dobson An Outstanding Actress At East Carolina College

Leigh Dobson of Edenton is proving to be one of East Carolina College's most talented and versatile student actresses. Twice during the present school year she has done commendable work in major productions by the East Carolina Playhouse, college dramatic club.

Miss Dobson was cast as the servant girl Tweney, "young person with a heart of gold" to whom the butler Crichton gave approval, in Barrie's "The Admirable Crichton." Contrasting with the delightful comedy of this part was the dramatic power demanded by the role of Linda, wife of Willy Loman, the salesman, in Arthur Miller's famous American tragedy "Death of a Salesman."

In a review of the Miller play, the Greenville Daily Reflector said of Miss Dobson's contribution to the East Carolina Playhouse production of the drama: "Leigh Dobson of Edenton, as Willy's wife Linda, played a difficult role with insight and emotional power. Her tenderness toward a man broken and dying, her fierce protectiveness toward her husband, her anger against the sons who deny Willy their love and respect were admirably portrayed."

"Her pity and anguish, the emotion held in restraint, at Willy's grave as she begged forgiveness because she could not cry provided one of the finer moments

The Personnel Officer of the band is also an elected officer. He holds the rank of 1st Lieutenant and is responsible for all matters relating to band records. Bud Skiles is the Personnel Officer for the 1958-59 school year. The Equipment Officer also holding the rank of 1st Lieutenant is an appointed officer. ## Plans Shaping Up For Pilgrimage To Be Held April 17-18

### BEWARE!

Sgt. A. F. Beeler, caretaker of the Edenton Naval Auxiliary Air Station, reports that some persons have been trespassing on the base property, primarily for the purpose of hunting. He wants it to be known that the base is still under government contract and he has no other alternative than to issue a warrant for the arrest of anyone trespassing upon the property.

### Fourteen Homes and Buildings Are Scheduled to Be Open For Benefit of Visitors

Plans for the fifth Pilgrimage of Colonial Edenton and Country, to be held April 17 and 18, are shaping up rapidly, according to Mrs. Helen Kramer, chairman of the publicity committee.

Sponsored by the Edenton Woman's Club, the 1959 Pilgrimage promises to be even better than the tours held in the past when thousands of tourists flocked to Edenton to view the many historical points of interest.

Fourteen homes and buildings will be open to the public the two days of the tour. In addition, there will be many other historic places marked for the benefit of visitors. An antique show, waterfront tours, Albemarle Sound Bay, a regatta at old St. Paul's Church, and other events are being planned.

Folders with a complete listing of the places to be open and giving all information concerning Pilgrimage will soon be available. Anyone desiring these folders can secure them by writing Mrs. Edward Bond, general chairman, 102 Pembroke Circle, Edenton, N. C.

### Missionary Speaker At Baptist Church

On Sunday, January 25, Miss Ola Lea, Southern Baptist Missionary to Formosa, will speak at the Edenton Baptist Church as a part of the morning worship service.

Miss Lea, currently at home of furlough, is a veteran of thirty-three years of service with the Southern Baptist Foreign Mission Board. Until the Communist seized control of China, she served in that country. When forced to leave China Miss Lea, along with many other missionaries, was transferred to Formosa, where she is continuing her work with the Chinese.

The Edenton Baptist Church claims Miss Ola Lea as its own missionary since for many years the church has contributed directly to her support. Miss Lea is well-known to the church, at least by name, as two of the missionary organizations of the church are named in honor of her. Her visit in the church on next Sunday will give the congregation a rare opportunity to become acquainted with her in person.

### Fry Taking Part In Lucky Delta

Major Cecil W. Fry, local National Guardsman, will participate in Lucky Delta, a Third U. S. Army-directed command post exercise to be held at Fort Gordon, Georgia, February 7 and 8. He will participate as a member of the 30th Infantry Division under Major General Claude T. Bowers.

### 20 Years Ago

### House-To-House Canvass Will Be Held Friday Night To Help Raise March Of Dimes Money

On Friday night members of the Edenton Junior Chamber of Commerce, Edenton Woman's Club and Edenton Business and Professional Women's Club will conduct a house-to-house canvass for the March of Dimes. The three groups will call at homes from 6 to 9 o'clock and it is hoped they will receive generous contributions for the campaign. The various chairmen are requested to make a report at the Penelope Barker house by 9 o'clock Friday night, so that progress of the drive can be determined.

Another source of revenue in the 1959 March of Dimes drive will be a road block. This feature will be conducted by the Jayvees next Sunday, with the road block to be located on Broad Street. March of Dimes workers call attention to the fact that funds raised in the campaign not only go toward work in connection with polio, but a considerable amount of research is being done in an effort to combat arthritis and birth defects. The need for money is great, so that those connected with this year's March of Dimes hope Chowan County will again make a substantial contribution.

Next Sunday morning, January 25, at the 11 o'clock service a dedication service will be held at the Edenton Methodist Church. At that time a beautiful baptismal font will be dedicated as a memorial to the late Dr. Martin Wisely, who was a member of the official board.
