

## Bloodmobile Will Visit Edenton On Friday, Sept. 18th

Chairman Billy Gardner Issues an Appeal For More People to Donate Pint of Blood

Billy Gardner, chairman of the Red Cross blood program in Chowan County, announces that the bloodmobile comes to Edenton, tomorrow, September 18, for this fiscal year's first visit. It will be located at the Edenton armory from 10 A. M. to 4 P. M. Chowan County's quota has been reduced from 400 pints in four visits to 285 pints in only three visits. "I would like to encourage all persons from 18 to 59 years of age to come out and give a small gift of blood which might some day save their own life as well as the life of a mother, a father, a son, a daughter, a friend or even the life of someone far away," says Mr. Gardner. "It is impossible to stress the Red Cross Blood Program too much. The people of this county have supported this program in the past but recently there has been a tendency to take it for granted. Last year we met only 66% of our quota and on the last visit of the bloodmobile we received only 57 pints of blood for the entire county. This county with a population of nearly 15,000 people should certainly do a lot better than this. Tyrrell County, for instance, gave 125 pints of blood in one visit on August 6. I know that the people of Edenton and Chowan County can do as well as this and even better. So don't wait. Donate!

"If Chowan County would ever lose this program, it would be a terrible blow to every citizen. The hospital would have no blood bank to draw from. They would have to operate with donations of only a few people

## Campen's Jewelers Again In Operation

H. A. (Izzy) Campen this week reopened Campen's Jewelers, one of Edenton's business concerns in operation for 18 years. The store has been closed several months due to liquidation of the Campen estate following the death of Mrs. J. G. Campen.

Mr. Campen came to Edenton in 1921 with his father, the late J. G. Campen, and was a partner in the jewelry business. He recently purchased the stock, fixtures and accounts receivable, and will carry the usual line of diamonds, silver, jewelry, watches, etc. He will also repair clocks and watches, as well as do engraving. The Campen store was first located at the corner now occupied by Sears Roebuck and later moved to the present location, where Mr. Campen will continue the business.

## Edenton Aces Upset Highly Touted Roanoke Rapids 25-6

Four battering ram-like ball carriers and a line that had the qualities of a stone wall stymied a highly-touted Roanoke Rapids High School football team Friday night when the Edenton Aces defeated the Yellow Jackets 25 to 6 on the Roanoke Rapids gridiron.

Bubba Hopkins, Richard Dixon, Leroy Spivey and Jerry Tolley virtually tore the Jacket line to shreds as they picked up yardage practically every time they carried the ball. Hopkins was called upon for the lion's share of ball carrying, and while he did not score a touchdown, he set up two of them. Spivey, Dixon, Tolley and End Fred Britton each scored touchdowns for the Aces. The quarter by their calibre of play Friday night, should serve advance notice to future opponents that they are to be reckoned with. Their yardage was not due to a weak Roanoke Rapids team, for the Yellow Jackets were tough opponents, but were simply out-

## Aces Preparing For Tough Game With Wallace - Rose Hill

## Duplin County Outfit Reported to Be One Of Best In Years and Studded With Stars

With two victories tucked under their belts, Edenton's Aces are scheduled to face a formidable foe Friday night on Hicks Field when they tangle with the Wallace-Rose Hill outfit. The Bulldogs also have won the two games played thus far this season, having little difficulty in romping over Beulahville's Panthers 24-0 and Pamlico Central High School 46-0.

The Bulldogs are reported to be a powerful outfit this year, with most of last year's stars back on the squad. Coach Thell Overman, one of the best coaches in North Carolina, is very optimistic about this year's team, referring to it as one of the best in years.

Jimmy King, well remembered by Edenton fans and players, is back again and he was outstanding in the two games already played. Another boy of which Coach Overman is very proud is Sonny Shelton, 150-pound tailback, who will be a serious threat. Shelton, according to Coach Overman, is showing up as good or better than Wray Carlton, former Bulldog and Duke star.

The Bulldogs use a single wing formation and, according to information, are a very powerful aggregation. The Aces, too, have had two impressive victories, defeating Camden in the opener 25-0, with Coach Billings using practically every boy on the squad. Then last Friday the Aces upset Roanoke Rapids, a Class AAA team, 25-6.

Coach Billings anticipates a close and hard-fought game and he and Coach Billy Harrison, are leaving no stone unturned this week in anticipation of a

W. A. Leggett and John G. Wood were re-elected to six year terms as school trustees. Representatives of various civic and fraternal groups were informed that a crape myrtle project along the Edenton-Windsor highway as a memorial to World War veterans had a snag in that the State Highway Commission had a 100-foot right of way, which would require property owners to relieve land along the highway. Miss Doris Jean Leary was named "Miss Edenton" in a beauty contest held in the Taylor Theatre. At a term of Chowan Superior Court C. A. Cooke was found

## Highway Point System Topic At Meeting In Court House

At a meeting held in the Court House Wednesday the new approach to highway safety in North Carolina was explained to automobile owners. Present at the meeting were Highway Patrolmen Logan B. Lane, R. A. Tripp and Mrs. Alice E. Futrell, driver education representative.

The new point system was explained which calls for suspension of a driver's license when a driver accumulates 12 points for moving violations within a period of two years. Each time a driver is convicted for a moving traffic violation, the North Carolina Department of Motor Vehicles is notified. Upon receipt of such a notice the driver's record is charged with a certain number of demerit points, and when these total 12 within a two-year period, his license may be suspended. It is hoped the new system will substantially contribute to safe driving on the highways.

The schedule of points for moving traffic regulations follows:

- Passing stopped school bus.....5
- Reckless driving.....4
- Hit and run, property damage only.....4
- Speeding in excess of 55 miles per hour.....3
- Illegal passing.....3
- Failing to yield right of way.....3
- Running through red light.....3

- No operator's license or license expired more than year.....3
- Failure to stop for red light or siren.....3
- Driving through safety zone.....3
- Driving on wrong side of road.....3
- No liability insurance.....3
- Failure to report accident where such report is required.....3
- Running through stop sign.....2
- Failure to give proper signal.....2
- Speeding in city limits.....2
- Speeding in restricted zone.....2
- Improper turning.....2
- All other moving violations.....2

## New Addition To St. Paul's Parish House Approved

## Group Favors Proceeding With Work As Soon As Funds Are In Sight

The Vestry of Saint Paul's Episcopal Church, with a unanimous vote, made the decision to enlarge the present Parish House on Gale Street.

The rapidly-growing Church School was given as the reason for the decision to make "such improvements and additions necessary" in the very near future. Space for six classrooms, facilities for the nursery, kindergarten, and youth are urgently needed. Improvements and enlargement of the present kitchen and auditorium are also pending.

Dr. Frank Wood, Senior Warden and David Warren, Junior Warden, presented views on the subject as well as R. E. Forehand, Jr., and R. D. Dixon, Jr., both associated with the Church School.

The Vestry was heartily in favor of proceeding with the work as soon as sufficient plans and arrangements can be made. The congregation will be advised as soon as facts and figures have been compiled.

## Community Birthday Calendar Solicitations September 21 - 22

Everybody in Edenton will have an opportunity this year to have his or her name listed in the Edenton Community Calendar, sponsored by the Penelope Barker House Association. Everybody will know the birthday of everybody else in Edenton, but the calendar will not tell how "young" you are. George Alma Byrum, chairman of this year's calendar drive, announces that September 21 and 22 will be the dates during which Edentonians will be solicited to list their names on the Edenton calendar. The cost is only 25 cents per birthday listing and the calendars only 50 cents each. All proceeds from the solicitations will be spent again this year on the continuing renovation, repair, rejuvenation and beautification of the Penelope Barker House, one of Edenton's truly historic attractions. "If you don't think that there is an advantage in having your

## Unusual Event Sponsored By Band Parents Association To Raise Money

For the first time in this part of the state, some of the top TV wrestling stars will appear on Tuesday, September 29, in the National Guard armory for the benefit of the Band Parents Association.

The all star program of three action packed matches will be headed by the international TV star, Chief Little Eagle of Stillwater, Oklahoma. Chief Little Eagle, who weighs 230 pounds, is well known to TV fans of this area and has appeared in every state from coast to coast. He is one of the top ten most popular wrestlers, and his fan club mostly made up of teenagers, numbers into the thousands. Little Eagle together with his tag team partner, Big Heart, are two of the biggest money makers in the sport today. They sold out Madison Square Garden against the Graham brothers in July.

Chief Little Eagle, who got his early schooling in Texas and Oklahoma, turned down a contract to play pro football for his love of wrestling. He has been a wrestler for seven years, he is 24 years old and owns one of the largest cattle ranches in Oklahoma. His hobbies are weight-lifting and collecting fire arms.

Little Eagle will meet another top wrestler from the west coast, Pretty Boy Collins from Hollywood in the two out of three fall main event. Collins is rated as one of the roughest wrestlers to ever enter a ring. He has met and defeated the best and he should give the Chief plenty of trouble in the hour match.

In the semi-final event there will also be plenty of action when the hot-headed nobleman of the mat, Jan Madrid of Madrid, Spain, assisted by his faithful valet, Georgie, goes against the fast moving South American, Rene Rascon of Santiago, Chile. Madrid is reported to have a long list of victories since coming to the states from Canada, where he held the Canadian junior heavyweight championship. So, the nobleman of the mat world is a veteran

name listed on the calendar, you're wrong," says Mr. Byrum. "Of course, it is the obvious advantage of letting your friends know when your birthday is. (Think of all the presents, cards and money you'll get, tax free.) You get discounts and free gifts from merchants who will be advertising on the calendar. (This is worth far more than the six bits that your listing and calendar will cost). Club members and gad-about will be informed of club and social commitments on the calendar (that is if your club or society buys a listing). You'll be able to know what day, month and year it is by looking at your calendar). "Seriously, you people who are not considering having your name listed ought to be ashamed of yourselves. Penelope can't enjoy her house anymore, but we and visiting tourists can. "You will be solicited at work
