Strong Wallace-Rose Hill Team Hits Snag In Facing Edenton's Aces By Losing Contest 26 To 0

By BILL GOODWIN

A very well balanced Edenton Aces football machine came to life in the second half Friday night to defeat the Wallace-Rose Hill Bulldogs 26-0 on Hicks Field.

Held in check during the first half, the Aces unleashed hard-charging halfbacks Richard Dixon and Leroy Spivey and fleet-footed Jerry Tolley at the soon dismayed Bulldogs to average last year's 19.0 drubbing and win their third straight.

Tolley scored twice, Dixon once and Bubba Hopkins got one touchdown and two extra points. But once again it was the rock-like defensive line that made victory possible. Time after time Minton Small, Johnny Forehand, Jimmy White, Wayne Baker, Johnny Phillips and again Dixon tore through to throw the Bulldog backs for losses. Wallace gained a net of four yards rushing and did not get out of their own territory until the final minute of play, and then only to the Aces' 44 yard line.

Article In Magazine Now Bringing Many Letters To Edenton

Inquirers Seeking Information About Edenton as "Retirement Spot"

Letters from Arkansas to Wisconsin and from dozens of other states throughout the United States including Florida and California are coming into the Chamber of Commerce office daily since the October issue of the Journal of Lifetime Living hit the newsstands last week.

The magazine with national circulation includes a short article on Edenton which the editors are featuring as "this month's retirement spot." It gives a brief history of the community, reviews recreational and other activities, and discusses living facilities and costs from the standpoint of retired people.

Chamber Executive Harry Smith, Jr., said the basic material for the article was supplied by his office to a writer for the magazine who became interested in Edenton's historic background. About one hundred letters have already been received and are coming in at a rate of twelve to fifteen a day.

Smith said he is sending a letter and literature to each inquirer extending an invitation to visit the community to see firsthand the advantages of living here. Many want to dodge "cold weather, snow and ice." Others are seeking "quiet, stressless living."

He added that the questions most asked concern climate, availability of housing, and the desire to own "a small plot of ground to raise vegetables and flowers."

All Living Members Will Be Invited To Attend Elizabeth City Game October 9

Superintendent John Holmes and Coach Bill Billings early this week advanced an idea to observe the 25th anniversary of the first time Edenton won a state football championship.

It was 25 years ago, in 1934, when Coach Henry House and an abbreviated football squad of seasoned football players won the state class B championship by defeating Reidsville, western champions, at Chapel Hill 6-0. In fact the Aces went through the season with only 12 regular players without being scored upon.

The idea of Holmes and Billings is to try to have all living members of the 1934 championship team be guests of the school on October 9 when the Aces play Elizabeth City on Hicks Field. The Yellow Jackets are just as much an arch rival now as they were in 1934, so that it is hoped all the former Aces will be able to return for the celebration.

It is planned to introduce all of the 1934 players at half time and Coach Billings expressed the hope that they could be persuaded to run one or two of the
