Communism is communism and democracy is democracy, and ne'er the twain shall meet—at least, not on common ground. The basic principals on which communism stands, and the fundamental concepts on which our constitution and country is built are as wide as the poles. America is, and was, built on the rocks of Christian faith; communism is anti-Christ and anti-religion. The dignity of man and the rights of the individual has no place in communistic teaching and practice. No matter how hard we try to reconcile communism and our way of life, these two ideologies, communism and democracy, will ever remain at best on the un-

stable basis of a truce. Negotiations, official visits and exchanges, treaties or what have you, will without question alleviate aggression, will probably forestall open hostilities, create a better understanding and clarify the political atmosphere between communism and democracy, but all of these and more will not bring these two ideologies together in a community of thought and purpose, ideas and beliefs. Carl Marx and Thomas Jefferson will never sit down in complete accord at the same table.

If you are fated to be a failure in this world, then fail at something magnificent. Let your failure be a grand gesture, se-

cure in your heart that you have tried, done your best, and if that be failure—then, so be it.

I ran across something the other day I never expected to see: A typographical error in Life Magazine. The Chowan Herald isn't the only publication that makes boo-boos.

Strong Wallace-Rose Hill Team Hits Snag In Facing Edenton's Aces By Losing Contest 26 To 0

Continued from Page 1—Section 1 picked two firsts before Dixon smashed over from the five. An end-around play to Britton failed to add the point. The final Edenton touchdown came after a 40-yard drive with less than four minutes remaining. Wallace gave up possession on downs on its own 40. Spivey got seven, Tolley 13 and a penalty put the ball on the 15. Tolley then shot through the line and picked his way over the goal to make it 25-0. Hopkins ended the scoring by adding the

point through the line. Sonny Shelton and Jimmy King, both a pain in the side of the Aces last year, were almost completely contained during the night. Quarterback Leroy Maready bore the brunt of the Bulldog attack. Freddie Wells and Maready led the Wallace defense. The Aces gained a total of 237 yards, made nine first downs, completed four of nine passes, intercepted two tosses and were penalized 40 yards. The Bulldogs picked up 37 yards and four first downs, hit on eight of

First Quarter Edenton kicked to start the game and Warren returned to his own 31. He then lost nine and threw one incomplete pass before he quick kicked. Tolley returned to the Wallace 43. Hopkins then broke through the line for 21 yards and a first down. He and Spivey got four in three plays before the Aces were penalized five. Wallace took over when a Lassiter pass was incomplete. Shelton gained three, Graham Kilpatrick lost one, after which Shelton quick kicked. Tolley again returned, this time to the Edenton 45. The Aces picked up five on a penalty and Spivey added five more for a first down. Hopkins picked up four on two thrusts and Lassiter's pass was no good. Dixon gained five, but the Bulldogs took over on downs.

Third Quarter Britton returned the opening second-half kickoff to the Edenton 49. Hopkins got two and Lassiter hurled a 32-yard pass to Tolley on the Wallace 17. Dixon got 2, Spivey 7, Dixon 2 more for a first down, and then Tolley scooted around end for the touchdown. Hopkins added the point at the line. Maready returned the kick to his own 44. Two plays got three yards and a pass fell incomplete. Britton then fumbled Warren's punt and the Bulldogs recovered only to have the break nullified by a penalty. Britton then hauled the next punt back 26 yards to the Wallace 41. Billy Rose then intercepted a Lassiter pass on his own 17. Three plays got six yards, after which Tolley returned the punt 25 yards to the Wallace 20. Dixon added 12 and Spivey 13 to the five. Dixon then bulldozed over for the third Edenton score. The end-around play failed to produce the point. Wallace could get nowhere and the Aces regained possession on the Bulldog 43. Spivey gained two as the quarter ended.

Fourth Quarter Dixon picked up two, but the Aces were penalized five on the next play and 15 on the next.

Maready returned the kickoff to his own 18. Shelton then gained two as the quarter ended. Second Quarter Shelton's pass was incomplete and he then quick kicked. Britton returned to his own 25. Hopkins got four and Spivey seven for a first down. Spivey added three in two tries and Tolley got four. Wayne Baker then punted and Shelton returned to his 18. He then got two before Maready fired a pass his way but Carroll Forehand intercepted to put the Aces in business on the Wallace 42. Hopkins carried twice for six and Dixon got two. Hopkins was thrown for a yard loss on the next play and Wallace took over. Shelton got one, Kilpatrick six and Warren lacked inches of a first down. Maready then tried a quarterback sneak but was thrown for a loss by the rushing Aces. Hopkins got one and Lassiter threw to Britton for four. Tolley and Dixon got four, but the Bulldogs took over on their 34. Shelton, Maready and Warren each heaved incomplete passes after Kilpatrick had lost four, and the Aces regained possession. Lassiter passed to Britton for 23 yards to the Wallace seven. A pitchout to Spivey then got loose and the Bulldogs took over. King and Shelton got 11 yards and a first down as the half ended.

Tolley then lost nine more. Lassiter threw to Hopkins for 16 and Baker then punted to Maready on the Wallace 27. Two ground plays and a pass netted a first down on the 39. Maready threw to Shelton for 11 and was then thrown for a five yard loss. A pass got three and Warren punted to Tolley on the Edenton 30. Dixon and Spivey managed seven in three carries and Baker punted to the Wallace 32. One pass was good for five and two more heaves fell incomplete. The Aces took over after a three-yard gain and Spivey got seven. Tolley 13 and a penalty on Wallace placed the ball on the 15. Tolley then shot through the line, picked his way through the secondary and scored standing up. Hopkins finished the scoring by plunging for the extra point. The Bulldogs took over on their own 3 and a pass moved them to their 49. But the Aces' defense rushed through to throw Maready for an eight yard loss. On the next play the Aces were penalized 15 yards and the Bulldogs, for the first time during the game, entered the Aces' territory. One play later Britton intercepted a Maready pass and made a beautiful 34 yard return to the Wallace 45. The reserves entered the game at this point and Carroll Forehand threw two incomplete passes. Tolley was stopped for no gain as the game ended.
