

Negro Home Demonstration News

By MRS. ONNIE S. CHARLTON, County Negro Home Economics Agent

Our county agricultural agent, Fletcher F. Lassiter, gives this information on the Farm Bureau and Annual Peanut Field Day:

The Farm Bureau Membership Drive will officially end Friday, September 25, 1959. All farm families are urged to contact the following persons in your community to secure your membership card:

W. H. Roberts, Edenton and surrounding area.

Mrs. Valola Rountree, Center Hill and Cisco area.

Joseph Roberts, Green Hall area.

Cromwell Holley, White Oak area.

Johnny Bowens, Canaan Temple area.

John Alexander, Warren Grove area.

C. C. Bun, St. John area.

L. B. Long, Cedar Grove area.

O. A. White, Hudson Grove area.

The Annual Peanut Field Day will be held Thursday, October 1st at the Peanut Research Station in Lewiston.

I have talked with a number of farmers who are planning to attend this field day in Lewiston. It would be time well spent if every peanut grower could find time to go. If the persons interested in going will meet at the office by 9 A. M., we can arrange to ride together and share the expense.

During the morning program, a Two-ton Peanut Club Award and Certificate will be presented Eugene Jordan of Chowan County for producing two tons

of peanuts per acre.

The afternoon field day program will be quite different from programs conducted in past years. Curing equipment will be on display with Ed Coates and research members giving a thorough discussion and demonstration of peanut curing. J. W. Dickens and other USDA personnel will be on hand to discuss and demonstrate the automatic bulk samples, mechanical sheller, shaker and splitter. These items will likely be standard grading equipment in a few years, and we feel that our growers should see them now.

There will also be available a two-acre field to demonstrate digging and combining equipment as was attempted last year in the rain.

Signs are put up at all of the major experiments on the station. This will enable visitors to drive through the station and see the work in progress. An opportunity will also be provided for growers to take a guided tour through the station.

Home Demonstration Achievement Day Program will be held Tuesday, October 27th, at White Oak Consolidated School at 8:00 P. M.

The County Council of HD Clubs is sponsoring a Home Demonstration Queen Contest which will end at the Achievement Program. Club contestants are:

St. John—Mrs. Cleo Gilliam.

Triangle—Mrs. Lillie M. Webster.

Virginia Fork — Mrs. Olathia

Capehart. Warren Grove — Mrs. Mary Morning.

Green Hall—Mrs. Rosa Roberts.

Hudson Grove—Mrs. Maggie Reddick.

Ryans Grove—Miss Margaret Gilliam.

Canaan Temple — Mrs. Mae Sawyer.

Edenton—Mrs. Lindsay Blount.

Paradise Road — Mrs. Mildred White.

Another Cancer Clinic October 2

The Northeastern Cancer Clinic will be held on Friday afternoon, October 2nd, with registration beginning at 1 o'clock. A chest X-ray will be given to anyone wishing it, along with the examination of the five areas of the body where cancer is most easily found and cured. There are no limitations as to sex, race, physical or economic status at the center. However, women should be 35 or more; men should be 40 or over unless referred by a doctor, or unless one of the "Seven Danger Signals" or "symptoms" are present.

Only 30 people can be seen at the Center each month due to limited facilities, so it is suggested that anyone who wishes to be assured of an appointment should write the Cancer Center Health Department, Elizabeth City, N. C., for a priority. Examinees are asked to bring a robe or housecoat with them.

PFC. ROBERT C. WHITE

TRAINING IN GERMANY
Army Pfc. Robert C. White of Edenton is participating in a lengthy large-scale field training exercise with the 3d Armored Division in Grafenwohr, Germany. The exercise is scheduled to be concluded October 17.

The training, which will be climaxed by a mock war pitting armored, artillery, aircraft and infantry units against realistic aggressor forces, is designed to test the combat readiness of the 3d Armored Division, a major part of the NATO shield of defense in Europe.

White, son of Mr. and Mrs. Watson B. White, Route 1, Edenton, is a member of Battery B of the division's 3d Armored Division. He entered the Army in March 1958, completed basic training at Fort Hood, Tex., and arrived in Europe last November.

The 26-year-old soldier was graduated from Edenton High School in 1951 and attended Wake Forest College, Winston-Salem.

TRY A HERALD CLASSIFIED

STATIONED IN GERMANY

Army Specialist Four James Nowell, son of Mr. and Mrs. William T. Nowell of Edenton, recently arrived in Kaiserslautern, Germany, and is now a member of the 56th Quartermaster Company in Kaiserslautern.

Specialist Nowell entered the Army in 1953. He attended Edenton High School.

Town Council Proceedings

Edenton, N. C., Sept. 1, 1959

The Town Council met this day in special session at 8 P. M. Members present: Mayor John A. Mitchener, Jr., J. Edwin Bufflap, George A. Byrum, Luther C. Parks, W. C. Bunch, Jr., C. A. Phillips and R. Elton Forehand. This special session was called for the purpose of holding a public hearing relative to the location of a proposed new fire station and/or town office and council chamber.

The following citizens attended the meeting offering suggestions as noted:

W. D. Fuller: Acquire property on which all town and county offices can be located.

Edenton Community Planning Committee sponsored by the Edenton Woman's Club:

1. It is recommended that the Town of Edenton attempt to purchase the W. D. Holmes property located on the corner of Broad and Water Streets, with a view to locating a Fire Station on this site.

2. That the present Town Office and Fire Station be remodeled to be used as location for the Town Office and Chamber of Commerce.

3. That the exteriors of both structures be planned to conform to the standards of Colonial Architecture.

The following stated that they felt the fire station should be located north of Church Street and that the town office should remain in present location. The area recently filled in and the area formerly occupied by the power plant be made a park area.

Joe Thorud, Mrs. Wood Priovott, Mrs. R. P. Badham, Miss Pauline Hassell, L. H. Haskett, Mrs. J. P. Ricks, Jr., speaking for Smith Bros. Lumber Co., E. L. Hollowell, N. J. George, Mrs. J. W. Davis, J. P. Ricks, Sr., W. J. Yates, Frank Habit, Gene Perry, George I. Dail.

Minutes of the August meeting and September 1 meeting were approved as read.

Motion was made by George A. Byrum, seconded by Luther C. Parks, and duly carried that the Edenton Woman's Club be granted permission to stage their annual Halloween party.

Motion was made by George A. Byrum, seconded by J. Edwin Bufflap, and duly carried that Electric and Water Dept. bills in the amount of \$15,904.06 be paid.

Motion was made by R. Elton Forehand, seconded by W. C. Bunch, Jr., and duly carried that Town of Edenton bills as follows in the amount of \$6,319.63 be paid:

The Norfolk & Carolina Tel. & Tel. Co., \$2.95; McGraw Hill Publishing Co., Inc., \$12.00; The Karpark Corp., \$126.66; George Chevrolet Co., Inc., \$1,871.63; Esso Standard Oil Co., \$125.58; The Norfolk & Carolina Tel. & Tel. Co., \$20.40; Ashley Welding & Machine Co., \$33.95; Albemarle Motor Co., \$10.65; Coastal Electronics, Inc., \$25.00; Sargent-Sowell, Inc., \$47.99; W. F. Miller, \$25.00; N. C. Department of Motor Vehicles, \$200; Sinclair Refining Co., \$7.34; The Norfolk & Carolina Tel. & Tel. Co., \$21.88; Smithson Electric Co., \$2.90; Ralph E. Parrish, \$20.85; Fire Engineering, \$6.00; Motorola Co. & E. Inc., \$60.00; Albemarle Motor Co., \$4.50; E. J. Smith & Sons Co., \$53.62; Byrum Hardware Co., \$1.86; Ack Ack Exterminating Co., \$15.00; Twiddy Sign Service, \$5.00; Wm. F. Freeman, Inc., \$74.10; Armco Drainage & Metal Products, \$104.00; Buffalo Turbin Co., \$36.91; Burley Giliam, \$5.00; A. A. Barnwell, \$21.00; Sinclair Refining Co., \$93.90; Nationwide Mutual Insurance Co., \$1,321.63; Twiddy Insurance Co., \$880.50; Travel Council of North Carolina, \$25.00; Mrs. M. L. Bunch, \$8.65.

There being no further business the Council adjourned.

ERNEST J. WARD, JR., Clerk

Edenton, N. C., Sept. 8, 1959

"We've seen the Falcon and OH BOY!"

GET READY for the nicest surprise of a motoring lifetime, when you see and drive the New-size Ford... the Ford Falcon. Here's what you'll see... and experience...

1. An altogether new and smarter look in new-size cars.
2. More head room, leg room, hip room than you'd ever imagine in a car this size... and it seats six six-footers... takes all their luggage!
3. Free and easy get-in and get-out convenience. No windshield "dogleg"... it's been swept forward, out of the way! And door openings are big!
4. Big expanse of safety glass all around (it was pioneered by Ford!)... with visibility like you'd never believe in a car the Falcon's size!
5. Steers, parks, stops so effortlessly that no power assists are even necessary. And you can have the Falcon's own 2-speed Fordomatic Drive to make the going even nimbler!
6. Body and frame are of single-unit construction like the Thunderbird... makes it almost immune to rattles. For greatest upkeep economy, fenders are bolted on, grille is non-rusting aluminum, important underbody structures are heavily zinc-coated to resist corrosion through the years.

7. The Falcon's now undergoing a dramatic Experience Run, U.S.A., over every mile of numbered U. S. highway, as the climactic test to 3 years and 3 million miles of research, development and testing.

8. Experience Run is now proving that the new Ford Falcon averages up to 30 miles per gallon of regular gas!

9. The new, 90-hp Falcon Six engine is up front, for greater stability and safety. And it's not an untuned, experimental engine, but built on modern short-stroke principles that have been thoroughly proved and universally accepted by engine engineers.

10. The purchase price will be your first big savings. We can't tell you what it will be, just yet, but it will prove—right from the start—that the new Ford Falcon is your savingest car. Come in now, for more details. We're accepting orders for the new Ford Falcon, right now!

COMING OCT. 8th... THE NEW-SIZE FORD
