

# Edenton Aces And Indians Of Ahoskie Battle To Scoreless Tie On Hicks Field Friday Night

Continued from Page 1, Section 1

also added yardage consistently, one a 21-yard jaunt. Hopkins, Spivey and Tolley gained 182 yards during the night. Lloyd Lassiter played a very good game at quarterback. He connected on five of nine pass attempts which netted 88 yards.

One of the shining lights of the game was Fred Britton. His glaucous fingers held on to three passes which seemed almost impossible to catch, one at the end of the game missing a touchdown by inches which would have pulled the game out of the fire.

That the line turned in a superb game is reflected in the fact that a group of hard-hitting and fast Ahoskie ball carriers were unable to reach yardage. The line play was sparked by Jimmy White, Minton Small, Johnny Forehand and Wayne Baker, while Richard Dixon, Charles Cuthrell, Johnny Phillips and Fred Britton also turned in an outstanding defensive performance.

The Aces registered 14 first downs while Ahoskie made 11,

four of which were the result of penalties.

Both the Edenton and Ahoskie bands were on hand to provide an interesting performance at half time.

### First Quarter

Carroll Forehand kicked for Edenton to start the game with Brinkley catching the ball on the Ahoskie 20 and pulled down on the 24. In two plays Butch Williams was held to 4 yards and Joyner 2, after which Brinkley kicked. Edenton was penalized and Ahoskie was given the ball on their own 45. Capps gained 3 but on the next play he was stopped cold for no gain. Britton then broke through to throw Williams for a loss and the Aces took over on the Indians' 40. On the first play Hopkins cracked the line for 9 and Dixon made it first down on the Ahoskie 29. In two plays Hopkins picked up 4 yards and Britton snagged Lassiter's pass which was good for 5. Hopkins then bulled his way to the 15 for first down. Dixon gained 4, Hopkins 3 and Dixon was held for no gain, but Ahoskie was off sides, which gave the

Aces first down on the 4. Lassiter fell on Dixon's fumble for a yard loss. Hopkins picked up a yard and Lassiter was then smothered for a 3-yard loss. Tolley in an end sweep was stopped for no gain and Ahoskie took over on their own 9. Williams gained a yard and Capps 3, but the Aces were penalized 5 giving the Indians first down on their own 23. Tolley was held to a yard but on the next play he tore loose for 10 yards and first down on the 40. Spivey was pulled down after a 13-yard jaunt to the Indians' 47. On the next play Spivey again gained 13, but fumbled with the Indians recovering on their own 35. In two plays Williams added 5 and Davis picked up 9 yards for first down on the 47. Capps added 2 and Davis was stopped for no gain. A pass failed and Ahoskie kicked into the end zone. The Aces took over on their own 20 and Spivey bulled his way 11 yards to the 31 for first down. In a sensational play Britton grabbed a pass from Lassiter and raced to the Indians' 35 for first down. Another pass to Britton was broken up as the half ended.

### Third Quarter

Ahoskie kicked and Dixon weaved his way from the Edenton 10 to the 48 before he was stopped. Hopkins added 3 and Spivey was held for no gain. A pass to Tolley failed to materialize, so Wayne Baker kicked with Davis returning from his own 15 to the 27. In two plays Davis picked up 7 yards and Williams 3, but the Aces were penalized 15, giving Ahoskie first down on their own 49. Williams added 3 and Davis 6, but the Indians were penalized 5. Hopkins added 4 and Tolley 4, after which Spivey drove to the Ahoskie 41 for a first down. On the next play the Aces fumbled and it was the Indians' ball on their own 44.

### Fourth Quarter

Davis added 2 and the Indians then fumbled with the Aces recovering on their own 29. Spivey added 6 and the Indians were penalized 5. On the next play the Indians intercepted Lassiter's pass on their own 39. Williams added a yard, a pass was broken up and Davis was thrown for a 2-yard loss. The Indians kicked and Britton was stopped in his tracks on his own 35. Spivey picked up 3, Dixon 3 and Tolley made it first down at the 47. Hopkins gained 4 and lost 3. He then gained a yard, after which Lassiter's pass to Forehand was good for 13 yards and first down at the Ahoskie 36. Lassiter picked up a yard and then connected with a pass to Britton good for 25 yards and first down at the 9. Tolley was thrown for a 5-yard loss. A pass was broken up. Lassiter was thrown for an 8-yard loss. He then passed to Britton who made a circus catch but lacked only a few inches of going over for a touchdown as the game ended.

## Frankly Speaking

By Frank Roberts

I don't doff a hat but if I did, I would doff it in the direction of the ladies and gents who were responsible for making the Halloween party the huge success it was. The playground had more children than Carter's has liver pills and every one of 'em were having a grand time. The costumes were cute and imaginative and the youngsters looked healthy and happy which, for the most part, seems to be standard appearance for the boys and girls in our entire listening area. As em-cee of the affair, I spent about 85% of the time announcing lost children or parents. Speaking of the latter, the party was just as much fun for them as for the youngsters. Again, sincere congratulations to

everyone who had a hand in making the big party the success it was. Thanks, also, to the weatherman for nice cooperation. He had us scared for a while, but finally came through with a nice night.

Two more deaths in show-biz: One was Robert Murphy, a radio and television announcer who used to be announcer on the old Quiz Kids program. Another death concerned a top band-leader of the 30's and 40's, Hal Grayson. One of his aims to fame was that he gave Stan Kenton his start in the music business.

And still more television reviews, to fill up some space. "Men Into Space," starring Bill Lundigan, sometimes interesting, most of the time sort of corny; "Hawaiian Eye," is a "77 Sunset Strip," with palm trees, with the exception that while Sunset is outstanding tee-vee fare "Hawaiian Eye" is just plain terrible. Night I caught it, by the way, the lip movements weren't coordinating with the sound; "Cannonball," continues to be just plain enjoyable film fare. It's a half hour series filmed in Canada and for no particular reason I could name downright entertaining. Stars a likable guy named Paul Birch: "To Tell The Truth," continues to be most enjoyable; "Donna Reed Show," seems delightful; "Real McCoys," continues to be real clever, thanks mostly to the wonderful Walter Brennan; John Forsyth's magnificent popularity, along with clever scripting, continue to help to make "Bachelor Father," one of the funnier tee-vee offerings.

Many, many years ago records by Cab Calloway were banned from air-play, after Cab jazzed up the "Star Spangled Banner." Now comes Connie Francis doing "God Bless America" with a rock 'n roll beat. Sounded gruesome. Anyway, a law should be passed allowing only Kate Smith to sing Irving Berlin's wonderful tune. Incidentally, did you know that Berlin never makes any money on that tune? All royalties, for as long as that tune has been around, have been donated to the Boy and Girl Scouts.

A closing thought would be like this: "Apology is politeness; 'hat is late.'"

Each individual is responsible for himself.
