

KNOW YOUR SOCIAL SECURITY

F. E. Bestendorf, representative of the Social Security Administration, is in Edenton every Thursday at the North Carolina Employment Security Commission in Citizens Bank Building.

The other night my little girl sat listening to the chimes of our clock as they struck the hour of eight. After 16 chimes had been struck and the sound slowly died away, she came over to me and said, "Daddy, it's awfully late." I answered, "Yes, and it's about your bedtime, too." She persisted—"It's later now than it has ever been before."

She was, of course, referring to her bedtime, but the way she said it set me thinking and made me wonder if she wasn't right. It certainly is later now than it has ever been, and I couldn't help but think about the 40 year old man and his charming wife who had talked to me about 7 months ago. This man said that his doctor had given him 6 months to live and he wanted to get his house in order. One of the things he was doing now was to get information about his social security. He said "It's not for me but my family needs to know." I told him and his wife about the proofs they would need and tried to assure them that he'd live to be a hundred years old. As they departed I remarked to his wife that I didn't believe I've ever met a man who was more at peace with life than he was. She smiled and informed me that they had grown to feel that they are lucky. She further stated that, "We know when it will happen and so many others never realize that 6 months may be their time limit, too."

A week ago that widow came back and filed a claim for monthly benefits for herself and two minor children. She had every proof needed to establish her entitlement to these benefits.

Edenton's Aces Narrowly Win Albemarle Conference Crown In Dime Novel Style Finish 7-6

Continued from Page 1, Section 1
Lassiter pass and was hauled down on the 7. Lassiter was thrown for a yard loss and Forehand then was sent into the game again replacing Lassiter. With the ball on the 8 Forehand saw no receivers available, so he ran around left end to score a touchdown. With very few seconds remaining Bubba Hopkins put all he had in it and crashed through the line for the extra point. This change-

ed the picture completely, for Edenton fans then went wild and, of course, it was a large crowd of dejected Panther supporters. It was a hard game for Plymouth to lose and some of the players actually shed tears after the Edenton score.

It was the cleanest game played this season with only two penalties called, one of 15 yards against Edenton and a 5-yard penalty for illegal procedure against Plymouth.

While the Panthers played a stubborn game, they threatened only one time other than their touchdown march, when they reached the Aces' 25.

The Aces picked up 137 yards rushing, 80 of which were made by Leroy Spivey, and gained 91 yards by the air route. Plymouth, with a group of hard charging ball carriers, were held to 76 yards rushing and 17 yards passing.

The Aces' defense again turned in a spectacular game, led by Johnny Phillips and Jimmy White. Of course, all of the line turned in a brilliant game, including Minton Small, Wayne Baker, Johnny Forehand, Robert Halsey and Richard Dixon.

While all of the team made their contribution to the victory, Fred Britton, Lloyd Lassiter, Carroll Forehand and Bubba Hopkins played the role of heroes in the waning seconds of the game. Lassiter's sharp shooting passes played a leading role. Fred Britton's ability to snag them out of the air aided the cause. Carroll Forehand's faint for 14 yards and a first down on fourth down situation and then his run for a touchdown was thrilling and Bubba Hopkins' crash through the line for the winning point was a test on the hearts of many an Edenton fan.

First Half
Carroll Forehand kicked for Edenton to start the game and Mobley returned to the Plymouth 40. The Aces' line refused to yield any ground and the Panthers kicked with Tolley returning to the Aces' 35. Leroy Spivey rammed through for a first down and on the next play Richard Dixon made a first down. Dixon then picked up 2 and Bubba Hopkins 7, after which Spivey made it to the Panthers' 25 for first down. Hopkins and Tolley each made 4, but on the next play Tolley was tackled hard and dropped the ball with Plymouth's Golden Simpson falling on the ball on his own 20. Lowry skirted around end for 11 yards for first down. Four plays including a

completed shovel pass lacked first down, so the Aces took over on the Plymouth 40. Lloyd Lassiter's pass fell incomplete, Hopkins gained 8 and on the next play he was stopped at the line of scrimmage for no gain. Dixon then plowed his way to the Panthers' 29 for a first down. Spivey picked up 3, Hopkins 4 and Dixon 1, after which Tolley made it to the 19 for a first down. Spivey then bulled his way 9 yards to the 10, Hopkins added 3, putting the ball on the 7 for a first down. Hopkins picked up 2 and on the next play carried to the 3. On the next play he was stopped cold. On fourth down and 3 yards for a touchdown Tolley on an end run was thrown for a 10-yard loss, so that Plymouth took over on their own 13. The Panthers gained 9 yards in three plays, but kicked instead of gambling for the other yard and it was the Aces' ball on their own 38. Two passes failed and Hopkins was held to a yard, so Wayne Baker kicked with Mobley returning to the Panthers' 40. In three plays the Panthers made it to the Edenton 33 for first down. After Mobley added 2, a pass was completed which was good for first down on the Edenton 20. The Panthers were held to 4 yards on three plays and were penalized 5 yards, so they kicked and it was the Aces' ball on their own 20. In three plays Spivey made it to the 35 for first down. Dixon added 7 and Hopkins was held for no gain. Two passes failed to click, so it was the Panthers' ball on their own 45. Tolley intercepted a pass as the half ended with neither team being able to score.

Second Half
Plymouth kicked and Tolley returned to the Aces' 40. Spivey was held for no gain. A pass to Britton was broken up and a pass to Hopkins netted only 2 yards, so Baker kicked for the Aces. Plymouth returned to their own 25. Two plays netted only 3 yards and a pass was broken up so the Panthers attempted to kick. However, the

slippery Johnny Phillips dodged in to block the kick and also fell on the ball on the Panthers' 9. With four plays directed at the center of the line Spivey added 5 and Hopkins in two cracks at the line was held to 4. On fourth down Dixon lacked only inches of scoring a touchdown, so Plymouth, amid deafening cheers by Panther fans, took over on their own 1-foot line. Plymouth elected to kick on the first play, but again the kick was blocked, but the Panthers recovered on their own 6. The Aces' line held and Plymouth kicked with Fred Britton returning to the Plymouth 35. The Aces fumbled and Plymouth recovered on their own 30. With three plays netting only 4 yards, the Panthers kicked and it was the Aces' ball on their own 15. Phillips snagged Lassiter's pass which was good for 22 yards and first down on the 37. The Panthers then intercepted Lassiter's pass on the 35. Plymouth could make no headway so they kicked with Tolley returning to the Edenton 34. Lassiter connected with a pass to Britton which was good for 10 yards and first down. Spivey was held for no gain and three passes were broken up, so it was the Panthers' ball on their own 45. Plymouth was forced to kick and it was the Aces' ball on their own 20. Lassiter's pass to Britton was good for 12 yards and first down. Spivey then bulled his way to the 40 for a first down. A pass to Phillips was good but he lost 2 yards. Lassiter was then smothered for a 5-yard loss. Spivey picked up 5 and a pass to Britton was completed but lacked about a foot of first down, so the Panthers took over near midfield. Three plays netted 6 yards and the Panthers kicked, with Britton returning to his own 25. After Spivey gained a yard, Plymouth's end, Jerry Miller, intercepted Lassiter's pass on the Aces' 32 and raced to the 9-yard line before he was pulled down. Mobley gained 6 and on the next play he was held to a yard, putting the ball on the Aces' 2, from where Billy Hall rammed through the line to score and Plymouth fans went wild. The try through the line for the extra point was prevented, so that the Panthers led 6-0 in what appeared to be a victory with less than two minutes remaining in the game. The Panthers kicked and Britton returned to his own 35. Lassiter could not spot a passer so he ran with the ball to pick up 4 yards. A second pass was broken up and

on the third pass Lassiter was again forced to run and gained 2. Carroll Forehand then entered the game replacing Lassiter. On fourth down Forehand faded to pass but unable to find a receiver circled right end for 14 yards and a first down on the Plymouth 40. He tried a pass which was broken up and then got one yard on an end sweep. Lassiter returned and threw to Britton who made the catch surrounded by Panther defenders for a 26-yard gain on the Plymouth 12. Lassiter then hit Britton on another pass for a 4-yard gain, and on net play was trapped for no gain and a third-down pass fell incomplete. Forehand then replaced Lassiter and on a pass play found Edenton receivers well covered and beautifully faked and raced the remaining 7 yards around

ton, who was hurt in the play for the extra point. With only two seconds remaining in the game Baker kicked for the Aces and the game ended immediately before the Panthers could get another play under way.
