

The Roundup

By WILBORNE HARRELL

It is the surprises, the unexpected little things that give life a fillip and zest. Who would expect that a person who has spent 15 years in the rough and tumble fight and wrestling game, also wrote poetry. And very good verse, too. I have known Verne Gainer for quite a while now, but only until recently did I unearth this facet, to his personality. Here is one of Verne's poems:

THE HOUSE GOD BUILT
I live in a house that God built
With gentle hands and skill.
And with His love and kindness
Our hearts will always fill.
We can furnish the foundation
of the home
In which we live,
The rest of it is furnished by
The love that God will give.

God's love is not selfish,
This we know is true,
For He gave His only Son

For sinners like me, and you.
So at every dinner table
There should be an extra chair;
For though you may not see
Him,
God is always there.

Capital punishment is just an extension of the old Mosaic law of an "eye for an eye" and a "tooth for a tooth". We carry it one step further—"an eye for an eye", "a tooth for a tooth", and a "kill for a kill".

I read where both the Soviet and Cuban bodyguards who will be at the convening of the UN, will not be allowed to carry guns. These birds are used to strongarm stuff and guns, and if we deprive them of their shooting-irons, they sure are going to feel naked.

THE WEST—Rodeos are becoming big business in the show

world, largely supplanting the circus and the old-time Wild West Show. And, as in the circus, the rodeo has the inevitable clown. The clown, however, in rodeos plays a dual role. He puts on a funny act, but at the same time he acts as a buffer, or foil in the event a rider is thrown from a bucking bronc or a wild bull. It is the clown's business to attract the attention of the bucking horse or angry bull away from the unseated and fallen rider, who might otherwise be mangled, killed or seriously injured. It is a dangerous occupation, this 'rodeo clown's, but with him it's all in the day's work and part of his routine. Many a rider owes his life to the quick-thinking of the rodeo clown.

ed to the Aces' 35. Bubba Hopkins rammed through the line for 5 yards and on the second play Jerry Tolley spied a hole in the line, twisted to the right escaping all Wallace tacklers to race 61 yards for the first Edenton touchdown. Hopkins was stopped at the line for the extra point. Wallace returned Forehand's kick to their own 28. King made 4 yards and a pass to Shelton was good for a first down on the 44. The Bulldogs netted 6 yards in two plays and then Warren raced around end with good interference to the Aces' 30 for first down. Wallace then fumbled and Jack Sawyer fell on the ball on the Edenton 35. Hopkins picked up 5 and Dixon 3 and on the next

play Dixon bulled his way to the Wallace 48 for a first down. Tolley then again found a hole in the line, and wiggled through for his second thrilling touchdown jaunt. Jimmy White's kick for the extra point was wide so that the Aces took an early lead of 12-0. The Bulldogs returned Forehand's kick to their own 34. In two plays they made first down to their 48. The Bulldogs were stopped for no gain and on the next play they fumbled but recovered on the 39. They then kicked and Tolley in a piece of remarkable open field running returned to midfield before being brought down. The Bulldogs strengthened, holding Dixon and Hopkins to one yard each. A pass was broken up and Forehand kicked, with the Bulldogs returning to their own 30, but Wallace was penalized and it was the Aces' ball on the 30. Hopkins picked up 3 and Tolley 2. Two passes were broken up so the ball went over to Wallace on the 25. King was stopped for no gain and then thrown for a yard loss as the quarter ended.

Second Quarter

With the ball on their own 24, a pass was good for first down on the 40. The Bulldogs could make no headway and Jimmy White intercepted a pass and it was the Aces' ball on the 40. In two plays Hopkins lacked only a few inches of a first down and the Aces fumbled with the Bulldogs recovering on their own 43. Two plays netted only a yard and then Jack Sawyer fell on a Wallace fumble on the Wallaie 35. Tolley picked up 4 yards, a pass to Britton was broken up, Hopkins added a yard and then on a short pass Hopkins, with the aid of superb blocking raced for another Edenton touchdown untouched. Jimmy White's placement kick again went wide and the Aces went ahead 18-0. The Bulldogs returned Forehand's kick to their own 24. The first play resulted in a 3-yard loss, two passes were broken up and Wallace kicked. Tolley received the ball and in another thrilling piece of running, with the aid of deadly blocking by White, Dixon and Cuthrell, went the distance for his third touchdown of the game. Jimmy White's placement this time went under the bars as the score moved to 24-0. Forehand's kick rolled a long way and the Bulldogs returned to their 15. Three plays netted a first down at the 26. The next 3 plays also netted a first down at the 37. A gain

of 3 yards was made as the half ended.

Third Quarter

Forehand kicked for the Aces, and the Bulldogs returned to their own 44. The Aces pushed the Bulldogs back 5 yards in two plays, a pass was broken up and they kicked. Tolley flipped the ball to Forehand who returned to the Aces' 20. Hopkins then tore through the line for a first down on the 32, but the Aces were penalized 5 yards. On the next play the Aces fumbled and the Bulldogs recovered on the Edenton 34. Two plays netted 6 yards but the Bulldogs fumbled. Tolley picked up the ball and as he was about to be tackled flipped the ball to Britton, who went into high gear to race 59 yards for the fifth touchdown. The try for the extra point through the line was stopped and the Aces were out in front 30-0. Forehand's kick was returned to the Wallace 30. King and Warren alternated to make a first down on the 46. In four plays the Bulldogs reached the Edenton 40 for first down. Warren gained 3 yards, the Aces recovered a fumble on their own 35. In two plays Spivey picked up 6 yards and Sexton was stopped cold so that Forehand kicked, with the Bulldogs returning to their own 21. Shelton gained 6 yards as the quarter ended.

Fourth Quarter

In two plays the Bulldogs reached the 32 for a first down. Three passes were broken up and they kicked, with Tolley returning to the Aces' 40. Wayne Ashley crashed the line for 5 yards but then the Aces fumbled with the Bulldogs recovering on their own 46. Two passes to Shelton were good for a first down on the Aces' 23. Warren and King in two plays made it first down to the 13, from where Shelton circled left end for the Bulldogs' lone touchdown of the game. Their kick for the extra point went wide and the score moved to 30-6. Hopkins returned the Bulldogs' kick to his own 38. Tolley added 5 yards but the Aces were penalized 5. Hopkins picked up 3 and then lost 4. A pass to Tolley was good but for no gain, so Forehand kicked, with Wallace returning to their own 33. Tolley then intercepted a pass on the Wallace 49. Spivey found an opening and made it to the 34 for a first down. Dixon then broke through the right side of the line, shook off a few tacklers and raced for a touchdown. The play, however, was called back due to a penalty for illegal procedure. Dixon added 3 yards and Spivey 1 as the game ended.

field men, Tolley, Hopkins, Dixon, Spivey and Forehand being hard to stop. Forehand played an exceptionally good game at quarterback. The line from end to end deserves much of the credit, too, for the victory, for they broke through time after time to throw Bulldog runners for losses, opened holes for the Edenton runners and gave a superb exhibition of effective blocking. Especially outstanding in this department were Jimmy White, Richard Dixon, Charles Cuthrell, Wayne Baker and Jack

Standouts for the Bulldogs were Shelton, King, Warren, Herring, Longest and Cottle. The Bulldogs registered 10 first downs while the Aces made only four. However, the Aces chalked up 190 yards rushing to 124 by the Bulldogs.

The Edenton Band presented a very delightful program at half time, which added to the entertainment of a large crowd of happy Edenton fans.

WHEN WE SAY WE'RE A FRIENDLY BANK

What Do We Mean?

We mean courtesy; a desire to be helpful; to make it pleasant to bank here; to know you as a friend as well as a customer; to greet you with a smile and by name.

A "friendly" bank can be judged by the way the girl answers the phone; the president speaks to a man with a small account; the teller hands the passbook to a depositor; the loan officer interviews a borrower.

Without you, the customer, there would be no bank. So we value you and your business above all else, and try to prove it in the way we serve.

Won't you become a customer and let us prove it to you?
