

Edenton's "Neighbor Days" Scheduled November 10-19

Over 20 Merchants Planning To Offer Plenty Of Bargains

Fall Sales Promotion Expected To Attract Many Old and New Customers; Event Is Widely Advertised

Plans are progressing rapidly for making the Edenton fall sales promotion one of the most comprehensive, both in nationally advertised brand bargains and specially purchased merchandise the Albemarle section has seen for the past several years, according to George A. Byrum, chairman of the Edenton Chamber of Commerce Merchants' Committee. The event this year will begin on Thursday, November 10, and continue through Saturday, November 19, and will be known and observed as "Edenton's Neighbor Days."

J. H. Woolard, chairman of the Sales Promotion Subcommittee, indicates that there are already more than 20 merchants who have joined in staging the event. All stores participating will be stocked with a wide variety of merchandise that will be sale-priced below that of prior years, it is understood.

Anyone who has been reading the syndicated newspaper shopping advisory columns has been informed that retail prices of many items of brand-named merchandise are at their low point since the 1957-58 recession. Especially is this true of durables and hard goods such as appliances and furniture. Non-durables such as clothing and textiles are also at a favorable retail level for this time of year, according to a recent national survey.

Edenton merchants plan to circulate their unusual values to be offered during Edenton's "Neighbor Days" throughout the Albemarle section and all advertising media will be used to bring notice of the many terrific bargains to be offered shoppers within a radius of 30 miles.

"Every store and service establishment which is joining in the 'Edenton's Neighbor Days' promotion will be giving exceptional dollar values and we expect to draw to this event all of our old customers as well as many more new customers near and far," Promotion Committee Chairman Woolard said.

Holmes High School Band got the party off to a good start by leading the gayly clad children to the colorful scene of the party at the playground, where the multi-colored canopy of lights came on upon their arrival.

Then the fun and scampering for hot dogs, peanuts, bobbing apples and other sweet treats, as well as a talk with the talking witch, a chance at the fishing pond, comic movies and a hayride.

Edenton Aces Win '60 Championship By Beating Ahoskie

Aces Scheduled To Meet Plymouth Panthers Friday

The Panthers' record this season is not so impressive and Edenton is not so far from the top. (Continued on Page 6—Section 1)

Explosive Aces Encounter Very Little Trouble In Winning By 40-0 Score

Though pre-game expectations generally leaned toward a very hard-fought game and possibly an upset, Edenton's Aces easily rolled over the Ahoskie Indians in Ahoskie Friday night by a score of 40-0. Both teams entered the game undefeated in Albemarle Conference play, so that the victory clinched the conference championship again for Coach Bill Billings' Aces. The Aces have only one more conference game, which will be Plymouth next Friday night. The Panthers' record is not so impressive so that, barring a very major upset, the Aces should finish up undefeated. However, in case the Panthers would come out victorious, the Aces would still be the champs, for they defeated Ahoskie, the only other contender.

Though Ahoskie was fired up for the Aces Friday night and expected to take their measure, the Edenton outfit to a man played an exceptionally good brand of football so that, although considerably outwitted, Edenton ball carriers literally tore the big Ahoskie line to shreds and the defense proved to be a veritable brick wall for Ahoskie ball carriers. The Aces score in every quarter and after the first touchdown early in the first period the outcome appeared to be very little in doubt. To single out any particular performer for the Aces would not do justice to the rest of the team, for every one played just about the best game of the year. However, Bubba Hopkins again proved to be a veritable pile driver as he smashed through (Continued on Page 6, Section 2)
