

Edenton Aces Trip Heavy Frederick Military Academy

Greatly Outweighed, Aces Play Brilliantly To Defeat Frederick Cadets 19 to 6

Outweighed probably twenty pounds per man, Edenton's Aces on Hicks Field Friday night defeated a Frederick Military outfit by a score of 19-6. The victory stretched the Aces' winning streak to 16 consecutive victories and the third win of the current season. Camden and Roanoke Rapids were the previous victims this season.

The Aces, both offensively and defensively outplayed their much heavier opponents and appeared to have the upper hand shortly after the game got under way. The entire Edenton team played a spectacular game, but it was a Carroll Forehand dominated game. Forehand tore through the big cadet line for consistent gains, and scored two of the Aces' three touchdowns. He also passed to Wayne Griffin in the end zone for the third touchdown. Aside from his terrific battering of the cadet line for consistent yardage, Forehand thrilled the spectators with two punt returns of 51 and 53 yards. He was called upon to carry the ball in 27 of the 56 plays and chalked up 117 yards by rushing. He was easily the hero of the game, but was given considerable support by Richard Dixon, his running mate. Dixon was also a thorn in the sides of the cadets as he tore through the line 11 times for a net yardage of 44 yards. Dixon, no doubt, took the worst beating for time and again he was tackled when he didn't even have the ball.

The Aces' line performed like long seasoned veterans as they held back the assaults of the big cadet ball carriers. The visitors were held to five first downs and the Aces yielded 187 yards rushing, with 71 of these yards the result of a thrilling run by Freddie Spence near the end of the game to score the Cadets' lone touchdown. Boots Lassiter, Joe Mitchener, Cecil Fry, Charlie Cuthrell, Ronald and Donald Forehand, Hurly Mitchell and Wayne Griffin.
