Mrs. Lena M. Leary Sworn In As Clerk Of Superior Court

Judge Joseph Parker Administers Oath at Brief But Impressive Ceremony Monday

C. Of C. President

J. H. CONGER, JR.
Chamber of Commerce directors on Tuesday elected J. H. Conger, Jr., president. He succeeds Bruce F. Jones.

In a brief but impressive ceremony in the Court House Monday morning, Mrs. Lena M. Leary took the oath of office as Clerk of Chowan County Superior Court. The oath of office was administered by Judge Joseph W. Parker of Windsor.

The ceremony opened and closed by prayer by the Rev. R. N. Carroll, pastor of the Edenton Baptist Church, after which Weldon Hollowell spoke briefly in behalf of Mrs. Leary. "I have known Mrs. Leary quite well for 15 or 16 years, since I have practiced law," said Mr. Hollowell. "For the last 12 years I have observed her in administration of court business and I have also observed her activities in church and civic affairs. She is quite an asset to Edenton and the county. Her service has been efficient and unselfish and her qualifications cannot be questioned."

Mr. Hollowell then presented Mrs. Leary to Judge Parker, who administered the oath. Judge Parker said that from 20 to 25 per cent of court clerks in North Carolina are women and that they are very efficient with the detail work involved. "They are emphatically efficient in such matters," said Judge Parker, "and I have no doubt that you will carry on the duties of the office in a manner creditable to yourself and your county."

Following the ceremony, many friends congratulated and extended well wishes for Mrs. Leary.

Mrs. Leary was appointed clerk by Judge Chester Morris to fill the unexpired term of Tom Shepard, who resigned to accept a position with Home Feed & Fertilizer Company.

Edenton Aces Trip Scotland Neck For 18th Straight Win

Forehand and Dixon Big Guns In Defeating Scots; Forehand Races 75 Yards to Thrill Spectators

Edenton's Aces continued their winning streak Friday night in Scotland Neck when they bowled over another big team 31-0 and registered their 18th consecutive victory over a two-year period and their season's record to five victories. The Scots, considerably outweighting the Aces, played sublimely and the game was actually harder fought than the score indicates.

Scotland Neck was unable to cope with the hard running of Carroll Forehand and Richard Dixon, who tore through the big line for substantial gains and it was Forehand who electrified the fans near the end of the third quarter when, on a kick by Scotland Neck, he was handed the ball by Jimmy Dail and raced 75 yards after shaking off Scot tacklers and side-stepping others, while his interference was forming to give protection for the remainder of the jaunt. It was one of the most thrilling plays of the current season.

It was also a great night for Dixon, too, who played the role of a battering ram as he plowed through the Scotland Neck line to pick up yardage. Dixon's onslaughts accounted for 108 net yards during the game and on defense he was a terror for the Scot runners. Wayne Ashley also played a very good game and was hard to stop.

Boots Lassiter turned in a good game at quarterback and he again played a stellar role in pulling down Scotland Neck ball carriers.

The entire Edenton line played a very creditable game, not only forming a veritable brick wall for the Scot runners, but also opened holes for the Forehand-Dixon-Ashley battering ram. Especially noticeable was the performance of Charles Cuthrell, who time and again halted the advance of Scot runners. Also in the limelight were
