Negro Home Demonstration News

By MRS. ONNIE S. CHARLTON, County Negro Home Economics Agent

This week at the Chowan County Fair the YMW Club has on display an exhibit, "Co-ordinating Color in The Home".

Practically every family reports painting inside of the home each year. It may be one room or the entire house. That indicates that basically families want their surroundings clean and beautiful.

The trend for color in the home has changed a little according to the bulletin, Co-ordinating Color in The Home, prepared by Catherine C. King, Extension House Furnishings Specialist. "A more spacious effect can be achieved in a small home by using one dominant color throughout the house. Light colors also make rooms appear larger. More colors can be used in a large home, but too many unrelated color schemes are quite displeasing."

The YMW Club committee on the exhibit chose light green as their predominate color throughout the home. Pleasing and contrasting color was achieved with furnishings and accessories. The committee was composed of Eerie Jordan, chairman, Mrs. Elvora Barnes, Mrs. Pattie Payton, Mrs. Emily Brooks and Mrs. Mary Blount.

Miss Emma Foreman, former member of the Edenton colored high school faculty, now living at Washington, N. C., will present a concert at Kadesh A.M.E. Zion Church Sunday afternoon, October 15, at 3 o'clock. She will be accompanied by her niece and nephew.

The pastor, the Rev. L. W. Williams, extends a cordial invitation to the public to attend.

HORNETS AT WILLIAMSTON

After a week's rest, the Edenton Hornets will travel to Williamston tonight (Thursday) to engage in a contest with the Tigers of E. J. Hayes High School.

The Hornets have been going through various drills to smooth out the rough spots. Because of the vast improvement shown in scrimmage, the team is at its peak and the game promises to be an exciting one.

Aces And E. City Jackets Clash Friday

Continued from Page 1, Section 1
ring to Jim Epley, Don Mathews, Heywood Spruill and Ronnie Dail. Epley is an excellent runner and dangerous passer and both Mathews and Spruill are powerful and fast runners. Dail is their best runner, being both fast and shifty. Bobby Brockett and Don Saunders are the best linemen.

The Aces, barring injuries in practice, are in good shape for the fray and they, as well as Coaches Bill Billings and Billy Hardison, feel that Friday night's game will be probably the toughest on this year's schedule. While no predictions have been made by the coaches, they feel confident the invading Yellow Jackets will meet a tough little Edenton team able to provide enough opposition so that the Yellow Jackets will know they were in a football game.

The game, with favorable weather, should take on the aspects of a college game. The crack Elizabeth City Band will accompany the Yellow Jackets to Edenton and the Edenton Band, too, will be on hand to help add color and entertainment for the large crowd of spectators expected to see the two arch rivals play their best in order to come off the victor.
