

Edenton Merchants Today Begin To Observe 'Fall Value Days'

Proposal Made To Change Status Of Edenton's Airport

Interested Persons Invited To Submit Data To Federal Aviation Agency

The Federal Aviation Agency has under consideration a proposed change in type and volume of activity at the Edenton Municipal Airport. Details of the proposal are as follows:

1. Name: Edenton Municipal Airport.
2. Proposer: City of Edenton, North Carolina.
3. Location: Latitude 36 deg. 1 minute, 30 seconds, Longitude 76 deg. 33 minutes 30 seconds, 3 1/2 miles Southeast of Edenton.
4. Field Elevation: 19 feet.
5. Airport Layout: To re-activate portion of surplus airport with operational North-South runway 4,600 feet by 200 feet and Northeast-Southwest runway 4,400 feet by 300 feet (with ultimate reduction in width retaining center 100 feet).
6. Number and Type of Based Aircraft: Estimated 1 single engine, 4-place or larger and 2 other single engine.
7. Estimated Monthly Operations

PTA Safety Rules Again Considered

Motorists Are Urged To Help Prevent Accidents

It was found necessary at the Parent-Teacher meeting conducted Tuesday evening of last week to review the safety rules adopted some two years ago and some are listed here for your consideration and observance:

- Children (pedestrians) have the right of way.
- Do not cross a crosswalk with vehicle until the patrols have returned to the curb.
- Fifteen (15) miles per hour are to be observed while blinker lights are on near all schools.

20 Years Ago

As Found In The Files Of The Chowan Herald

The Highway Department, in rejecting the movement to designate U. S. 17 alternate across the Albemarle Sound, reported that the weight of the Ocean Highway Association objection was a big factor in the 17-A rejection.

Carroll Wilson, highway commissioner, reported on Page 2—Section 1

Edenton Aces Bow To Elizabeth City To Snap Winning Streak

Costly fumbles on the part of Edenton's Aces resulted in losing to the Elizabeth City Yellow Jackets 7-6 on Hicks Field Friday night and at the same time snapped the Aces' winning streak which stood at 18 before the game. Each team scored a touchdown, but the Yellow Jackets' counter was set up by an Edenton fumble which was recovered by Elizabeth City on the Aces' 9-yard line. The Yellow Jackets previously recovered in Edenton fumble on the Aces' 38. Aided by a 28-yard pass to Armstrong, the Jackets moved the ball to the 4-yard line, from where Matthews crashed the line to score but the Jackets were penalized 5 yards and the score was nullified. The Edenton line strengthened so that the Jackets could gain very little so the Aces took over on their own 2. On the second play the Aces fumbled and Elizabeth City fell on the ball on the 8. Epley started

Mrs. Orion Mixon Speaks At Meeting Of Woman's Club

Traces History of the Jews From Biblical Times to the Present Time

Mrs. W. J. P. Earnhardt, chairman of the Woman's Club planning committee at the club luncheon Wednesday, October 4, at the Edenton Restaurant announced that a decision regarding the kind of tree to be planted on the Court House Square would be made by the committee.

She said that the committee appreciated the interest of local citizens. Mrs. Earnhardt recalled for the group that the original plan drawn by landscape Morley Williams was approved by the club members and the County Commissioners. The plan called for the planting of sycamores, but when objections arose it was thought that the Darling oak would be more acceptable.

She also reminded the members of the desperate need for money to begin the landscaping of the Green, estimated to cost \$8,600. New booklets of Historic Edenton and Country-side are being prepared for printing, she said. Proceeds from the sale of these booklets will be used for the project. The club will again sell fruit

Final Go-Kart Race Sunday, October 22

Feature Will Be 50-Lap Marathon For All Classes

Edenton's final Go-Kart race of the season is scheduled to be held on the local track Sunday, October 22, beginning at 2:30 o'clock. The race is expected to attract 30 or more cars and a large crowd of spectators is anticipated.

Instead of two heats of 10 laps and one 15-lap for each class, it has been decided to have one 10-lap warmup and a 50-lap marathon for all classes.

Three trophies will be awarded to winners in all classes and these trophies will be more attractive than the previous ones presented the winners.

end for a touchdown and Matthews crashed through the line for the extra point, which was the margin for victory. The Aces made another very costly fumble late in the fourth quarter. They marched from the Jacket 46 to the 20 and were apparently on the way for the clincher touchdown, but Carroll Forehand could not hold on to the ball and Elizabeth City recovered the fumble on the 20. With time running out Quarter-back Epley held on to the ball on each of three plays and with only seconds remaining Epley booted the ball, with Dail returning to the Jacket 40. The Aces were penalized 15 and in two passing attempts Forehand could not find a pass receiver and was thrown for 8 and 5-yard losses as the game ended.

Edenton drew first blood early in the second quarter when Forehand brought spectators to their feet as he uncorked a

Native of India Studying Agriculture In Chowan County

Pictured in center is Ram S. Bishnoi, IRYE delegate from India, who has been in Chowan County for three weeks. He left this week for Rockingham County, where he will continue his agricultural studies. At left is Harry Venters, assistant agricultural agent, and at right is Miss Catherine Aman, assistant home economics agent, who escorted Mr. Bishnoi around Chowan County.

Selection Of Trees On Green Discussed By Woman's Club

Planning Committee Will Meet Soon To Decide on Type of Trees to Be Planted

Due to the interest shown in the kind of trees that are being considered for planting on the Court House Green in the beautification project undertaken by the Edenton Woman's Club, the club feels it important that the public be informed as the reasons for considering the Darling oak and the sycamore.

Two years ago when this project was being considered, the Woman's Club hired one of the outstanding landscape architects in this part of the country for his professional advice. The two above named trees were advised for planting in that they not only met the requirements for sturdiness and hardness and resistance to hurricanes, but were considered as the best environment to set off the Court House building, one of the outstanding examples of Colonial American architecture in the country.

The plans for the planting on the Green, an area of 305 feet in length and 80 feet in width, call for ten trees to be planted on both sides, a distance of 30 feet between each tree. In England, where beautiful architecture is highly treasured, it is possible to find avenues where the trees are planted as close as eight feet. It is this close planting which is largely responsible for the magnificently tall and graceful arches which frame many of England's fine old mansions.

As to the advisability of the Darling oak, the sycamore and the winged elm, which has been suggested by several citizens of the town, the following was gained from Bailey's Cyclopaedia of Horticulture, Rehder's Manual of Cultivated Trees and Shrubs, as well as from other well-known landscape architects.

White Cane Drive Still In Progress

The White Cane drive, sponsored by the Edenton Lions Club, is still in progress and latest reports are to the effect that contributions are rather slow in coming in. Henry Cuthrell is White Cane chairman and is very anxious to wind up the drive. He, therefore, urges any who have not sent in their contribution to do so at once. The money derived from the White Cane sale is used in the Lions Club's work among the blind in the county, so it is hoped many will send in a contribution immediately.

Business For Month Is Completed Shortly After 10 O'clock Tuesday Night

Town Council's October meeting held Tuesday night was one of the shortest in many months with the business transacted shortly after 10 o'clock.

A goodly part of the time consumed was devoted to consideration of changing zoning on Broad Street between Queen and Church Streets. The request was presented by Cliff Satter-

Annual Banquet Of Edenton C. Of C. To Be Held October 4

Charles McCullers of Kinston Secured To Be Principal Speaker For Occasion

The annual banquet of the Edenton Chamber of Commerce is scheduled to be held Tuesday night, October 4. The banquet will be held at the Masonic Temple, beginning at 7 o'clock. Joe Conger, Jr., newly elected president of the Chamber of Commerce, will preside over the meeting and he urges every member to attend the meeting.

A feature of the banquet will be an address by Charlie McCullers of Kinston. Mr. McCullers is very well known in Edenton, for he is a former secretary of the Edenton Chamber of Commerce and for several years was director of the high school band and under his direction the band won state-wide recognition. He is also a past president of the Edenton Rotary Club.

Tickets for the banquet can be secured by contacting George Lewis at the Peoples Bank & Trust Company or at the Chamber of Commerce office.

Prominent DAR Members

Mrs. Wood Privott of Edenton (left), newly elected director of District 8 of the DAR, chats with Mrs. F. W. Stolzenberg of Rocky Mount, district director, who presided at the meeting here last week, and Mrs. Norman Cordon of Chapel Hill, state regent. Mrs. Privott, a member of the Edenton Tea Party Chapter, is now serving as vice director of the district and will assume the duties of director next spring. The Edenton chapter was host to the annual meeting at the Court House—(Ricks Photo).

Donald H. Williams Agrees To Speak At Dedication By SCS

Persuaded By Congressman Herbert C. Bonner to Attend Meeting Nov. 16th

Congressman Herbert C. Bonner informed The Herald late last week that he had been successful in persuading Donald H. Williams, Administrator, Soil Conservation Service, Department of Agriculture, to accept the invitation extended him by L. C. Bunch, chairman of the Albemarle Soil Conservation District, to make the principal address at a meeting to dedicate the watersheds in the Edenton area. The dedication will be held Thursday, November 16.

Mr. Williams is an outstanding conservationist and Congressman Bonner said he felt most fortunate in bringing such a notable person to the Albemarle area.

Town Councilmen Decide To Change Area For Zoning

Information About Edenton's Bond Election On November 21

The following article is one of a series of six articles written by Town Council members, showing you why such a program is necessary for our town. Let's show that ours is a progressive community, learn the facts of the proposed pollution abatement program and vote "Yes."

Voting day for Edenton's pollution abatement program is coming November 21, 1961. Your favorable vote is essential to the success of this much needed public improvement.

Edenton's Aces Go To Beaufort To Play Non-Conference Game

Edenton's Aces will make the longest trip of the season when they journey to Beaufort Friday night to play the Beaufort High School football team. The Aces are smarting over their defeat last Friday at the hands of the Elizabeth City Yellow Jackets 7-6 when costly fumbles were a big factor in the loss which snapped the Aces' winning streak which stood at 18 consecutive victories.

Little is known about the Beaufort outfit other than it has been an outstanding team for the past two years in Class A ranks. Beaufort won the Class A State Championship in 1959.

It is understood that Ray Hassell at left halfback and Paris Crown, a left end who is an

Plans Proceeding For Holding Series Of Tetanus Clinics

Danger of Lockjaw Infection Is Pointed Out By Local Jaycees

Sponsored jointly by the Edenton Junior Chamber of Commerce and the Chowan Medical Society, a tetanus or lockjaw clinic will be held in Edenton Tuesday and Wednesday, October 24 and 25.

It is pointed out that every year more than 500 people in the United States, many of them children, die from the effects of tetanus or lockjaw. Thousands of others run the risk of painful, dangerous and other fatal illness, and that the farm is the most likely breeding place for the germ which causes the disease.

Any person can become informed on Page 4—Section 1

Four Days Will Be Devoted To Offer Long List Bargains

Parade Feature Of Fire Prevention Week In Edenton

Bard and Fire Fighting Equipment Participate In Parade Monday Afternoon

Observance of Fire Prevention Week October 9-14 got off to a fine start Monday afternoon when a parade was held in the downtown section.

In the line of parade were the John A. Holmes High School

Event Is Expected To Attract Many Shoppers From Edenton Trading Area

Today (Thursday), Friday, Saturday and Monday a group of 20 Edenton business concerns have joined in staging "Edenton's Fall Value Days." The idea was advanced by the Merchants Committee of the Edenton Chamber of Commerce in the interest of sales promotion. George A. Byrum is chairman of the Merchants Committee and he is very well pleased with the cooperation of the various merchants in an effort to attract shoppers to Edenton for this outstanding sales event.

For the occasion, the merchants are offering many worthwhile bargains on timely merchandise. A partial list of the bargains will be found in this week's issue of The Herald and considerable publicity to the event has been given by mailing an 8-page section of The

'61 Christmas Seals Received By Parrish

Ralph E. Parrish, secretary and treasurer of the Chowan County Tuberculosis and Health Association, says 6,000 sheets of the 1961 Christmas Seals were delivered to him last week.

Funds contributed for the Seals, which will be mailed to all Chowan County and Town of Edenton residents on November 13, are used by the association for the prevention and control of TB.

Plan now to use Christmas Seals on all your holiday mail this year.

Water Pressure In Edenton Is Restored

The Board of Public Works announces that today (Thursday) the normal 60-pound water pressure will be restored in Edenton.

The pressure was reduced to about 40 pounds during the painting of the water tank on Park Avenue.

The Board of Public Works desires to thank the public for its patience during the time it was necessary to reduce the pressure.

CIVIC CALENDAR

Edenton merchants will observe "Edenton Fall Value Days" October 12, 13, 14 and 16. A district PTA meeting will be held at John A. Holmes High School today (Thursday).

Final Go-Kart races of the season will be held on the Edenton track Sunday afternoon, October 22, at 2:30 o'clock. Edenton Chamber of Commerce will hold its annual banquet at the Masonic Temple on Tuesday night, October 24, at 7 o'clock.

The local Soil Conservation Service will hold a meeting in Edenton Thursday, November 16, to dedicate the watersheds in the Edenton area. (Continued on Page 6—Section 1)

Joe Thorud Elected President Of Edenton's Teen-Age Club

The first meeting of the year of the board of directors of the Teenage Club was held Monday night, October 9, at 8 o'clock in the Teenage Clubroom.
