

Social Security Is Now Handled In Greenville Office

Representative From Office Will Be In Edenton Each Thursday For Advice

Since the opening of the Greenville Society Security office, residents of Edenton and Chowan County will be served by that office instead of Norfolk, Virginia, district office.

Ken Wilson, Greenville district manager, has announced that beginning April 1, the Edenton representative servicing this area will be George Diehl. The contact station will continue to be open every Thursday beginning at 9:30 and is located in the Employment Security Commission office, Citizens Bank Building, Edenton.

Anyone who wishes to obtain information about the old-age, survivors, and disability insurance program or to file a claim for social security benefits, is encouraged to visit the contact station for assistance.

Mr. Wilson explained that anyone who prefers to do so may come directly to the district office for assistance. The office is open from 8:45 A. M. to 5:00 P. M., Monday through Friday to provide service to the public. The district office is located at 814 West Fifth Street in Greenville. The telephone number is 758-3121.

FIX-IT TIP

Effective Padding
When you package an item for shipping, try putting the shredded paper filling in plastic bags. It makes for neat and effective padding.

20 YEARS AGO

Continued from Page 1, Section 1

clubs arrived in Edenton to begin spring training.

The first of a series of public forums, sponsored by the Edenton Rotary Club, was held at the Edenton High School.

At the annual meeting of the Beaver Hill Cemetery Association Mrs. R. F. Tuttle was elected president.

For the first time in several years both of the debating teams of Edenton High School triumphed in the annual triangular debates. Edenton's debaters were Winifred Hollowell, Margaret Griffin, Fontaine Pettus and Nelle Skinner.

For the first time in history of Edenton High School, it was not represented by a baseball team on the field. The decision was made due to the fire situation which made it difficult to carry out a schedule.

Little interest in a proposed zoning ordinance was apparent when only 19 persons appeared at a public meeting at the Municipal Building to consider the matter.

A survey party visited Edenton to investigate deposits of shell marl and other fossil shell deposits along the Chowan River.

Practically an entire page in the Roto-Gravure section of the Pittsburgh Press was devoted to peanuts which included several local pictures.

Twelve members of the Negro Red Cross first aid class received certificates for the work they completed.

OUTDOOR TIPS

from the Ancient Age Sportsman's Idea Exchange

NO-LEAK BOOTS

Oh, the horror to step into a spring stream and feel the tell-tale icy glow that numbs the limb while enraging the mind. Don't take the chance. Check boots and waders now with a flashlight. Darken the room and shove the light inside. Even tiny pinholes show as you play light around.

HIGH HAT TROUT FLIES

Neatest fly and bug holder in the world is a piece of cellulose sponge or lamb's wool sewed or glued on the brim of your fishing hat. Even if you don't catch fish, you will look like you should have.

CLEAN UP ON CATFISH

Ready to start setting trotlines? Try this bait. Reports say it works like crazy in some areas, fizzes in others. Trick is a slab of ivory-colored soap on each hook. Who knows what the cats see in it, but they do.

THREE TO REMEMBER

Inexpensive floor mats keep your regular car carpet in good shape... but they also prevent a tedious windshield scraping if freezing rain or snow is the

forecast. And those empty plastic spray bottles your wife throws away by the score all make dandy oil cans. Pressure of your hand regulates the exact amount you need. Need a Phillips head screwdriver bad? A new large nail can sometimes do the job. (If the screw isn't set too tight.)

TRAINING DOGS

Pigeons, yes, the regular barnyard variety have, apparently, the same scent as game birds. Bind their wings with rubber bands and give Fido his ABC's. Birds are readily obtainable and surprisingly cheap and easy to keep.

DIED LEADERS

Used to be no self-respecting trout man would be caught without his leaders died a light brown. Today's nylon jobs can still profit from a soaking in strong coffee or tea. After application, add cream and sugar, drink.

Baptist Training Union To Meet At Corinth April 7th

The Training Union of the Chowan Baptist Association has scheduled a youth night service for intermediates and young people at Corinth Baptist Church, Saturday, April 7, beginning at 7:30 P. M.

Virgil McBride, assistant to the President of Chowan College, will be guest speaker. Youth groups from Macedonia and Ramoth Gilead Churches will provide special music.

Following the service, the Rev. Rodney Beals, pastor of the Salem Baptist Church in Weaverville, will lead the group in a fellowship hour including group singing, a quartet from the Edenton Baptist Church, a skit by Rocky Hock Baptist youth, and refreshments.

Intermediates, young people, and their Training Union workers from all the churches in the Chowan Association are extended a cordial invitation to attend. C. W. Overman of Edenton is serving as Association Training Union director.

The basis of all integrity and character is whatever faith we have in our own integrity.

IN MEMORIAM
In memory of my husband, Oliver E. Chappell, who died April 5, 1961.
One year ago today, You left us all alone. Memories linger of that day When God called you home. We hope to meet up there On that golden strand, Where parting will be never in that heavenly land.

114 Persons Receive Old Age Assistance

Mrs. J. H. McMullan, superintendent of public welfare, reports that during March 114 persons in Chowan County received old age assistance with \$4,433 being distributed. There were 32 cases of aid to dependent children who received \$2,384. Forty-eight cases of aid

to permanently and totally disabled received \$2,467 and nine cases of aid to the blind received \$363.

There were nine general assistance cases which amounted to \$207.25. Five cases were hospitalized in the county costing \$561, of which the county's part was \$193. Four cases hospitalized outside the county cost \$47.40.

Skin And Scuba Diving Instruction

Two experienced certified diving instructors will begin courses in Plymouth in mid-April. An instructor will be glad to come to your town to help organize a Diving Club and affiliate with the N. C. Diving Council.

The instructor will give classes in your town if local pool facilities are available. At present there will be no charge for charter members.

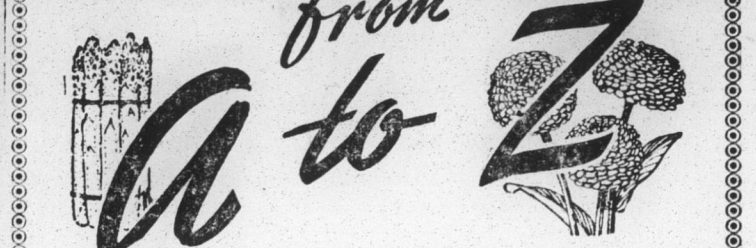

DO NOT RISK diving without instruction which includes medical check-out and approval of certified instructor.
