 Afternoon.  
 Daily schedule as announced by Hardison will be little league practice at 9 A. M., horse-hoes, tennis, basketball, badminton, softball, volleyball and baseball at 10 A. M., and again at 2 P. M., and two little league games at 3 and 5 P. M., respectively.  
 Coach Hardison stated that boys of all ages will be welcome at any or all of the activities.  
 Robert F. Shields, supervisor of the Edenton High School program, commenced activities Monday with registration and organization. He is running his program on a weekly basis, and the choosing of a little league champion will climax each week.  
 On Tuesday Shields divided the small children into equal groups and taught horse-hoes, softball, Chinese checkers, and jumping ropes in the morning. He supervised games on Wednesday morning and held two softball games on both Tuesday and Wednesday afternoons.  
 Shields will supervise contests this (Thursday) morning and hold two little league games this afternoon. More games will follow on Friday morning, and league winners will be chosen in the afternoon.

**Summer Program Begun For Scouts**

Continued from Page 1, Section 1  
 ming at 2 P. M. The theme for June's program is "Big Swim." Both the hike and cookout will replace the regular Monday night meeting.  
 Scoutmaster Habit is planning to take the troop to summer camp for a week at Pipsico Scout Reservation near Surry, Va. A date has not been scheduled, but Mr. Habit is trying to secure a week in July.  
 Unlike last year, when the troop went to camp without its own leader, Scoutmasters Habit and Bass plan to split the week between them to insure that the local boys have their own adult

in camp at all times.  
 Both local Scout leaders extend an invitation for all boys over 11 years of age to attend any of the Scout functions and all who join the troop within the next few weeks will be eligible to go to camp.  
 Mr. Bass was very active in Scouting in the Covered Wagon Council before coming back to Edenton, and attended the National Jamboree at Colorado Springs, Colo., in 1960.
