

Activity In FHA Increases In 1962

59 Loans Amounted To \$315,970 During Fiscal Year

Donald W. Norman, County Supervisor of the Farmers Home Administration in Camden, Chowan, Currituck, Pasquotank and Perquimans counties stated this week that his agency had received 127 initial applications for FHA services. He said these applications were for purchasing tractors and equipment, purchasing livestock, developing and improving farms, purchasing farms, refinancing debts on farm property, building new homes and repairing old homes. Applications received this fiscal year were 300% greater than the number received two years ago.

Fifty-nine loans totaling \$315,970.00 were made during the past fiscal year ending June 30, 1962. Norman stated that eleven additional loans totaling \$139,850.00 were processed during the year and would be approved after July 1, 1962.

Collections this past fiscal year totaled \$210,950.00, an increase of 100% over collections two years ago. Norman stated this was due to good debt repayment last fall and an increase in the amount of money loaned.

Mr. Norman stated that in the future his credit agency should be of more help to the people in this area. With a full line of credit facilities more and more families are eligible for FHA assistance.

Miss Rosa Hollowell Becomes Bride Ensign Donald Haithcock

The Edenton Baptist Church was the scene of a wedding characterized by beauty and simplicity Sunday afternoon, July 8, at 3:30 o'clock when Miss Rosa Hollowell became the bride of Ensign Donald Haithcock.

The bride is the daughter of Mr. and Mrs. Richard A. Hollowell of Edenton and the bridegroom is the son of Mr. and Mrs. Eric E. Haithcock of Durham.

The Rev. R. N. Carroll performed the double ring ceremony.

Miss Marlene Broome of Waxhaw, organist, presented the nuptial music and accompanied Miss Brenda Mooney, soloist, who sang "I Love Thee".

The bride, given in marriage by her father, wore a gown of Swiss embroidered organza featuring a fitted bodice, sabbina neckline, and brief shirred sleeves. The very full three-tiered skirt was caught at intervals with organza roses and flowed into a chapel train. Her tiara of seed pearls was attached to the finger-tip veil of silk illusion. She carried a bridal cascade of white butterfly roses, stephanotis, centered with two white royal bouquet orchids.

Miss Royal Bunch of Chapel Hill and Edenton was maid of honor. She wore a dress of blue organza fashioned with short sleeves and a boat neckline. Her matching headpiece was of shirred organza with a short attached veil and she carried a cascade of white flowers.

The bridesmaids were Mrs. Imogene Bunch, Mrs. Carol Goodrich of Chapel Hill, Mrs. Mary Ann Baker, sister of the

bridegroom of Durham and Miss Millie Willis of Edenton. They wore dresses identical to the maid of honor.

Mr. Haithcock was best man for his son. The ushers were Tommy Goodrich of Chapel Hill, Chick Rosemond, Tommy Baker of Durham, and Richard Hollowell, brother of the bride.

For her daughter's wedding, Mrs. Hollowell wore a dress of champagne lace and a corsage of cymbidiums. The bridegroom's mother wore a dress of light blue lace and organza and a corsage of cymbidiums.

Mrs. Percy Smith was mistress of ceremonies.

After the ceremony a reception was held at the Penelope Barker House.

Following the reception the couple left for a northern wedding trip. For traveling the bride wore a banana shantung sheath dress with bone accessories and the orchid lifted from her bridal bouquet. The couple will make their home in Boston, Mass., where the bridegroom is stationed with the Coast Guard.

Farmers Advised On Money Loans

Farmers should borrow money "only if it enhances your economic position, such as improving the efficiency of your farm." This is the advice of F. Vernon Wright of Washington, D. C., a top official of the Farm Credit Administration.

Wright, who spoke recently at a state-wide Production Credit Association meeting in Morehead City, says the farmer often can

decide whether to borrow money by finding out how he can pay it back.

"Loans for recurring expenses should be repaid from current receipts," says Wright. "Longer-term loans for capital-purpose items such as heavy machinery and equipment should be paid out of net income."

Today's farmer, says Wright, must have the ability to organize properly and utilize well all of the resources at his disposal—including credit.

If the farmer doesn't, the lender may see danger signals that indicate a loan may be going sour: Faulty performance of the farmer; lack of progress in his overall farm program; depreciation of the farm property; a downward trend of the farming area.

Mrs. Campbell will teach either in the 3rd or 6th grade, and Mrs. Williams will teach in the 7th and 8th grades. A motion was made by Mr. Elliott and seconded by Mr. Long approving the action of the committee, was unanimously adopted.

ing re-assignment were: Columbus and Roberta Jones, requesting re-assignment of Thomas Lee and Winford Jones; Lloyd and Catherine Twine, requesting re-assignment of Joseph Twine; Willie B. Twine, requesting re-assignment of Alice Nowell. Since the applications for re-assignment were not filed in due time, Mr. Asbell made a motion that the request for re-assignment be disapproved, and that the superintendent be authorized to give notice by registered mail to the applicants the action of the Board. The motion was seconded by M. Jordan and unanimously adopted.

The superintendent read the bills paid in May and June, and same were approved by a motion made by Mr. Jordan, seconded by Mr. Long and unanimously adopted, in the amounts of \$11,342.02 and \$25,159.00.
