

Rinky Dinks Are Still Undefeated In Softball Race

Lewis of Varsity and Bunch For Cubs Are Leading Hitters at .666 Average

The Rinky Dinks won another last week to remain undefeated and add an important half-game to their lead in the local softball league.

Harvey Point shelled the Jaycee Cubs 20-4 in the first game Thursday night, and the Rinky Dinks bombed the Red Men 11-1 in the finale. Action on Tuesday of last week was rained out and will be made up Monday night July 16.

Scheduled for Monday night July 9, was a game between the Rinky Dinks and Jaycee Tigers. The Tigers were tied for second place in the league before the game, but the extra half-game held by the Rinky Dinks would have prevented them from losing first place should they have lost.

Tonight (Thursday) the Rinky Dinks will meet Harvey Point and the Cubs play the Red Men. Next Tuesday the Varsity Clubs stands the Rinky Dinks in what could prove a crucial contest and the Tigers play Harvey Point.

Thursday night of last week saw Harvey Point capitalize on eight Cub errors and nine of their own hits to score 26 runs, the highest total yet scored by a single team. The game went five minutes over the one-hour and 30 minutes time limit, and only 5½ innings were played.

Donald Roche was the winning pitcher for Harvey Point and Powell was the loser for the Cubs. Ed Groves paced the winner's attack with three hits.

The Rinky Dinks maintained their winning ways with their victory over the Red Men. The league leaders had ten hits, and they received help from four Red Men errors. John Whitson and Fred Lassiter each had two hits for the Rinky Dinks, while Bobby Ashley was gaining his third pitching victory against no defeats.

Continued from Page 1, Section 1

In assuming the presidency, Mr. Rosevear reiterated his various committees, pointed out their specific duties and urged each member to carry out his duties in the interest of a live, active Rotary Club.

Mr. Rosevear was especially specific about promoting projects for the area in order to provide opportunities and attractions for new business, pointing out that Edenton and the northeastern section of the state is very well adapted for new business concerns. "We should be interested and busy ourselves to attract new business—and big business," he said.

Mr. Rosevear said he considers every member of the club a member of a committee to be on the alert to secure new business in order to help the economy of this section. He urged every member to inform him of any ideas and further stated that he will appreciate any suggestions made by any citizen not a member of the club.
