

BROAD STREET BULLETIN

By KATE

According to all the delicious food which Buff and I get when we eat out at various functions, I know that Chowan County excels in good cooks. Last week, for example, we ate "out" more than usual, starting with the banquet given by the Varsity Club. The men of the Center Hill-Cross Roads Fire Department, supposedly were responsible for preparing the food for this dinner and, believe me, it was delicious. The ladies were doing the serving and unless I miss my guess, they helped prepare it. Then on Wednesday evening the ladies of the Byrd Home Demonstration Club gave a covered dish supper honoring their husbands. What a variety of especially good food! Everyone in that club is a good cook. Thursday night was Bosses' Night with the BPW Club, which took place at the Center Hill Home Demonstration Club Community Building. Since eating that meal, I believe that the Fire Department and the Demonstration Club tried to out-do each other in serving delicious food. NOW—since there are so many excellent cooks in town and in the county, I would appreciate some of your recipes. Since variety is one of the keys to successful meal planning, why not share your special ways of preparing food?

IT'S SNUFF

According to a recent article on the dangers of smoking, the smoking public has been deluged with substitutes, although one alternative has been overlooked—SNUFF. This year approximately six million snuff users will buy 34 million pounds of it. Since snuff is not smoked, it leaves no tar deposits and its nicotine does not enter the lungs. Seems to me there will always be a reason and an alibi for any habit—snuff!

DID YOU KNOW—

Glass rings on your furniture, caused by water, can be removed by putting some cigarette ashes on a wet cloth and rub until the spot is gone. Works very well!

After washing your wool sweaters in cold water, wrap them in a bath towel and spin dry in your automatic washing machine. This way they will dry faster and keep their shape better.

Use your vacuum cleaner attachment for cleaning lamp shades. This will suck the dirt off, rather than rub the dirt in as when using a cloth.

When face creams or cake deodorants begin to dry out, turn them upside down and let them set a while and they will become soft again.

Before you start removing the shells from hard boiled eggs, roll the egg between the palms of your hand, then start peeling the large end first.

Don't throw your apple peelings or badly specked apples in the garbage—throw them in the yard. The birds will enjoy them. We are enjoying feeding and watching our large variety of birds—it is a fascinating hobby.

To know Mrs. Roy (Mary) Leary is a pleasure, and even though I've known her for a short time, I like to think of her as a good definition of a Lady. Her good citizenship and friendliness was proven last week when she was selected as the "Woman of the Year" by the BPW Club. It's good to know such people.

Typewriting Contest At Chowan March 3

Continued from Page 1, Section 1 writing II. Chowan High has 15 enrolled in Typewriting II. Therefore, three students will enter to represent Chowan. John A. Holmes High has 21 enrolled in its advanced class. Therefore, they will enter four contestants.

The district contest will be held at East Carolina on Thursday, April 23. In this contest, if there are county winners from both schools, they will go to the district contest as a Chowan County team. Each county is to enter the students compiling the highest scores in the county contest. Each county is eligible to enter one district contestant for each five county contestants.

Chowan County will send two county winners to the beginning district contest and one county winner to the advanced district contest. The two beginning district contestants will be the two students who compile the highest and second highest score in the county contest. The advanced contestant will be the student who compiles the highest score in the county contest.

The Chowan High and John A. Holmes High typewriting teams for the county contest will be released in the March 5 issue of The Chowan Herald.

Lunch Room Menus

Menus at the John A. Holmes High School lunch room for the week of March 2-6 are as follows:

Monday: Weiners, weiner rolls, pork and beans, cole slaw, butter, milk, peaches.
