Jaycettes Install Officers For Year

Mrs. Ethel LaVoie Is Named "Jaycette of the Year"

On Saturday night, September 19, the Jaycettes held their installation at the Edenton Restaurant. The principal speaker for the occasion was Warren Twiddy, a life-time member of the Edenton Jaycees. His speech was on the Jaycette Creed and he challenged each member to live by this creed daily in order to become better citizens of their community.

He then installed the following officers for the 1964-65 year: President, Mrs. Jack Habit; first vice president, Mrs. Bill Boyce; second vice president, Mrs. Charles Morgan; secretary, Mrs. John Jethro; corresponding secretary, Mrs. Frank Roberts; parliamentarian, Mrs. Aubrey Hardison; directors, Mrs. Tony Miley and Mrs. Leo LaVoie.

A highlight of the evening was presentation of the "Jaycette of the Year" award to Mrs. Ethel LaVoie. Mrs. LaVoie has been an active member of the club since its organization in 1962 and served as its first president. This award was presented by Mrs. Wayne Rawls, outgoing president.

After installation ceremonies were completed, a dance was held at Arrowhead Beach and Boat Club clubhouse. Music was furnished by J. C. Griffin and his combo.

Moore Scholarships In Three Counties

Continued from Page 1, Section 1

"When these two scholarships were first established four years ago by the George C. Moore Company, they came wholly unsolicited," Dunlap said.

He continued, "We were very pleased to have them—and we of course are pleased to follow the company's request that the scholarships now be restricted to high school graduates in the Edenton area, where the company's new North Carolina plant will be located."

The George C. Moore Company manufactures narrow and wide woven elastic braid and power net material for undergarments. Home offices are in Westerly, R. I., with plants there and in Greenville, Tenn., and Scottsboro, Ala.

Dunlap said application forms will be sent to principals of high schools in Bertie, Chowan and Perquimans counties. A scholarship committee of the School of Textiles will select the recipients.
