Miss Margaret Anna Zuraw Becomes Bride Of Leslie Howard Phipps Dec. 19

Miss Margaret Anna Zuraw became the bride of Leslie Howard Phipps at 7 P. M., rites on Saturday, December 19. The candlelight ceremony was conducted by the Rev. John W. Long in Tabernacle Baptist Church in New Bern.

Mrs. Phipps is the daughter of Mrs. Marjorie Fender of Havelock and Ignace Zuraw of North Adams, Mass. Mr. Phipps' parents are Mrs. Olivia Harrell of Edenton and the late Howard Phipps.

Traditional wedding music was played with Mrs. Leroy Alligood, organist and Dr. Roy A. Miller, Jr., soloist. He sang "O Perfect Love" and "The Wedding Prayer".

The church was beautifully decorated with palms, baskets of white glads and mums, pyramid candelabra and pews marked with ribbon and wedding bells. The bride was given in marriage by her uncle, Joseph Zuraw of Hadley, Mass.

She was pretty in a gown with lace bodice and scalloped neckline. The sleeves came to points over the hands and the skirt of the gown was tulle and lace. The front of the lovely gown had four tiers of tulle with lace and the back was all lace. Sequins were scattered on the gown's lace.

The bride carried a white orchid atop a Bible showered with Stephanotis. Her jewelry was a pearl pendant given to her by the bridegroom and a diamond heirloom ring.

Miss Drenda Paul of New Bern was maid of honor. Her gown was of gold brocade and was bell shaped. It had elbow length sleeves, matching shoes,

glovelets, and crown veil. She carried one long stemmed mum, tinted to match her dress.

The only bridesmaid was Miss Carol Phipps of Edenton, sister of the bridegroom. She wore a beige bell shaped dress with jacket, elbow length sleeves, matching shoes, glovelets and a crown veil. She, too, carried a long stemmed mum, tinted to match her dress.

The junior bridesmaid was Miss Evelyn Harrell, sister of the bridegroom. Her dress was of light green brocade, bell shaped, with a jacket, elbow length sleeves, matching shoes, glovelets and crown veil. Like the other attendants she carried a single mum.

For the wedding, the bride's mother chose a light blue dress and blue accessories and a white carnation corsage. Mrs. Harrell selected a Navy blue dress and black accessories for her son's wedding. Her corsage was of white carnations.

John G. Mallard of New Bern was Mr. Phipps' best man. Ushers were Leo Boucher and Robert Murdock, Jr., both of New Bern.

A cake cutting was held at 8 P. M., December 18 at the church.

Mrs. Phipps is a graduate of Tennessee Preparatory School in Nashville, Tenn., and is employed by Dr. Roy A. Miller, Jr., of New Bern.

Mr. Phipps, who is a graduate of John A. Holmes High School in Edenton, is employed by Sears, Roebuck and Company in New Bern.

Following their honeymoon, the couple will reside in New Bern.

Rates Are Reduced On Bridge-Tunnel

Change Corrects Inequities Says C. of C. President

The Chesapeake Bay Bridge and Tunnel Commission has announced immediate toll rate changes effective January 1, giving lower rates to trucks with five axles, from \$16.00 to \$13.00 it is reported by Alton Elmore, president of the Edenton Chamber of Commerce. Rates on four axle trucks go down from \$13.00 to \$12.00.

Recommendations to reduce rates followed a study called for in the bond trust indenture that governs operation of the 17.6-mile crossing between the Virginia mainland and the Deimarsva Peninsula.

"The changes correct some inequities in the toll structure," according to Elmore. "The lower rates should result in increased vehicular traffic over this facility, to and through Edenton," he pointed out. "Station wagons and carry-alls registered as commercial vehicles and previously charged \$5.00, now will be classified as passenger vehicles and charged the basic rate of \$4.00 for car and driver. They also become eligible for a combination toll rate with the Hampton Roads Bridge-Tunnel.

"Although the toll for pickup trucks, panel trucks and delivery vans remains at \$5.00, these vehicles along with the station

wagons and carry-alls get a big break if pulling utility, camp or boat trailers less than 21 feet in length, Elmore added. "Until now their toll has been \$10.00 or \$13.00, depending on whether the trailer had one or two axles. As of January 1, they will pay their base vehicle rate of \$4.00 or \$5.00, plus \$1.00 for a single axle trailer or \$2.00 for a two-axle trailer."

Elmore noted that truck operators like to use the coastal route served by the Bridge-Tunnel because it enables them to avoid hills, traffic congestion and freezing weather conditions. It offers a distance saving of some 55 miles on truck runs between eastern Virginia-North Carolina and Philadelphia-New York-New England, and on all runs a time saving of two hours over the old ferry crossing. For many trucks the time saving can mean an additional run each week with the same equipment.
