Property Is Stolen At Country Club

Sheriff Earl Goodwin is still seeking clues into the break-in at Chowan Golf and Country Club Saturday night in which golf equipment and beer was taken. The total value of the loss could run to \$1,000, the sheriff said.

Three sets of golf clubs and eight cases of beer were stolen. Sheriff Goodwin and R. F. Elliott went to play golf Sunday afternoon and discovered the break-in. Approximately 75 sets of clubs are stored in the building that was broken into. Sheriff Goodwin said it is possible that other clubs were stolen.

An immediate inventory revealed that clubs belonging to Elliott, J. H. Conger, Sr., and Charlie Wood were missing.

At the same time thieves entered Townson Lumber Company and an old lumber company warehouse. Police were investigating these two break-ins.
