

Spruill Gives Veterans Advice

John Lee Spruill, local veterans service officer, issued a reminder today that only three months remain for veterans with service-connected disabilities to obtain the newly re-opened National Service Life Insurance.

This insurance is being offered those veterans of World War II and the Korean

conflict who either failed to take out the insurance originally or allowed it to lapse in whole or in part.

Deadline for the sale of the new GI policies is midnight, May 2, 1966.

The insurance is open to those veterans who were originally eligible for GI insurance between October 8, 1940, and January 1, 1957, and who either failed to take it out or let it lapse after purchasing it.

The eligible veterans must have a service-connected disability or a non-service connected disability so severe that he cannot purchase com-

mercial insurance at the highest rates.

Veterans have several choices of insurance plans—ordinary life, 20-payment life, 20-year endowment and modified life—and they may take out the full \$10,000 coverage or as little as \$1,000.

The local veterans service office will supply full details.

The next game for the Hornets was scheduled to be played in Belcross at the

Marian Anderson High gymnasium Wednesday, February 9.

Tax Collections Exceed 70%

Sheriff Earl Goodwin has collected more than 70 per cent of the 1965 tax levy,

according to a report made Monday to Chowan County Commissioners.

The 1965 levy was \$433,193.41, a record high for the county.

Sheriff Goodwin said tax collections thus far are running ahead of the same period a year ago.

He reported Monday that tax collections in January amounted to \$76,067.42 on the current levy.

At the same time he noted delinquent taxes collected in the amount of \$2,298.93 for years back to 1955. Penalties on these taxes amounted to \$383.82.
