

BROAD STREET BULLETIN

By
Kate

Begin the day with happiness
Be friendly, good and kind
And when day ends with darkness
Happiness will bring peace of mind.

Sometimes it's a hard job to stay happy, with all the day's frustrations, but if we can remember that by being happy, it will affect others around you and who knows? Perhaps you'll cure the blues for some one you meet.

If you would feel alone with God, get up very early one of these beautiful spring mornings and walk around in your yard. The stillness of the new day, without the world's contaminations, will be ample reward for getting up early.

Illegal Liquor Still Destroyed

Sheriff Earl Goodwin reports that an illegal liquor distillery was destroyed by his department last Thursday.

The 375-gallon capacity outfit was discovered by Deputy Troy Toppin on Paradise Road, three miles north of Edenton.

The still had a steam boiler, three 55-gallon doublers and 960 gallons of fermenting mash.

No arrests were made. In addition to Deputy Toppin, those assisting in destroying the outfit were Deputy Glenn Perry and State ABC Officer M. W. Coats of Elizabeth City.

Woodle's Car Stolen Friday

A 1965 Ford, loaded with \$1,200 in merchandise, was stolen Friday and had not been recovered at press-time.

James Woodle, North Broad Street, reported to police at 7:15 P. M. Friday the light blue 4-door Fairlane had been stolen only minutes before.

An announcement of the theft was broadcast by the State Highway Patrol but the car had not been spotted.

Golfers Begin Season On Road

Golfers at John A. Holmes High School take to the links in Williamston today (Thursday) for the first match of the season in the 2-A Albemarle Conference.

Coach Jim Kinion said there are five teams in the conference. They are: Edenton, Ahsokie, Bertie, Williamston and Scotland Neck.

Three outstanding golfers return from the 1965 team. They are: Ronnie Harrell and Frankie Katkaveck, both sophomores and Brian Twiddy, a junior. They are joined on the squad by another junior, Scott Privott.

The Aces last year won the regular season championship but lost out by one stroke in the tournament.

Moralists, bent on saving the world, always want to tell other people what to think and what to do.

It's good to have a slogan, but it's better to perform.

As I've said before, you never can tell when that old telephone rings, just what it will bring into your day or your life. This past Sunday at 1 o'clock, our phone rang and the call came from England—from my son, who has been negligent in writing letters. It was a wonderful surprise which I can't help but share.

Perhaps you could help find a friend who is missing. Her name is Nell and she has just dropped out of sight. The black and white bird dog, belonging to the Kehayes family in Pembroke Circle, has just disappeared. Nell never wandered far from home, so it's a mystery as to what happened to her. If you have any clues as to her whereabouts, get in touch with Ernest Kehayes at the P & Q Super Market.

If you missed the concert of the Choral Group and the Little Symphony, you certainly missed something worth while. And even though you may have stereo, it can't compare with "live" music. Seldom do we get a chance to enjoy good music and it was not too "long-haired" for anyone. I especially enjoyed the violins—always wished I could play one. Also, we should be very proud to have such fine vocalists here in Edenton.

Lady Byrd Johnson should be visiting our town right now, since she is an admirer of beautiful flowers and gardens. Up and down the streets of Edenton the beautiful spring flowers are blooming profusely. Just to look at all the camellias, forsythia, bridal wreath and spring bulbs, will give the spirits a lift. Along with the flowers, the birds are trying their best to sing about spring. Again I say, be still and listen!

The tank top is slated to be one of the top tops during the warm spring and summer days. Cut, rather like an undershirt, tank tops come in almost every kind of fabric or fiber. A tank top is perfect for a summer suit—light weight and easy to wear.

An old favorite of summer fabrics is very good this season—cotton voile. Cool and lightweight, washable and always neat and pretty. Look for it in the stores.

Know How—

If you are mixing a cake and find that the shortening isn't quite soft enough, hold the mixer blade under hot water for a few minutes and the shortening will not clog the blades.

Put a few glass marbles in the bottom of your double boiler. The noise they make when the water runs low may save you a burned pan.

Heavy mcllasses is less apt to stick to a measuring cup if you dip the cup in hot water before measuring.

A finger cut from an old rubber glove and slipped over the top of your broom handle will keep the broom from falling when leaned against the wall.

ANSWERS - LAST WEEK'S SECRET WORDS

Thursday: "Hyracoid"
Friday: "Nestor"
Saturday: "Fariah"
