

shopping with you in mind

By "KATE"

Come, go shopping with me this weekend. There's so many good items for sale, especially at the P & Q Super Market. Imagine frying size chicken for only 25 cents per pound; lean, tender pork chops, 59 cents; pork loin roasts, 95 cents and in the produce department, oranges are selling this weekend for 5 pounds, 39 cents; young, tender snap beans, 2 pounds 39 cents and for dessert, strawberries, 3 pints for \$1.00. You can really tell that spring is here at the P & Q Super Market.

In case you've missed seeing those attractive, budget-priced dresses in the Betty Shoppe archway, let me tell you about them. These dresses are summer cottons, ranging in sizes from small up to size 52, in such famous makes as Pat Perkins, Carolina Maid, Nancy Wayne and Harmony. And for the ladies, wearing half sizes, these, too, are available. The budget prices on these frocks run from \$5.98 to \$9.98, making it possible for you to select several for your summer wardrobe from the Betty Shoppe Archway.

Mitchener's Pharmacy has a new arrival—the new In-

stantatic 404 Electric Eye Camera. This camera is completely automatic and is simple to operate for "fool proof" pictures. I might add that flash pictures are much easier to take with the new flash cube on this new item. For true, clear pictures with black and white, color and color slides, get one of the newest, the Instantatic 404 from Mitchener's.

It's housecleaning time again and time to store all your winter clothes. At Gene's 5c and 10c Store you can get large quilted garment bags which will hold 16 garments, an easy way to keep your clothes safe during the summer months, and just think—only 88 cents each. By the way, for more protection against moths, buy a package of moth balls for only 27 cents each. This week, also, you can get four rolls of paper towels for 88 cents and 10 rolls of toilet tissue for 67 cents at Gene's 5c and 10c Store.

With new summer merchandise arriving daily, Tarkington's in order to have more room, are really having wonderful bargains in spring suits and dresses. All spring hats, too, are on sale at half price. So hurry to Tarkington's and select several of these wonderful

"buys." You always look "well dressed" with latest styles from Tarkington's.

If you've been "doing" your own hair, here's a way to get rid of that tiresome chore. At the Nu Curl Beauty Salon, for you "do it yourself," they're offering with each permanent a follow-up shampoo and set FREE! So why risk a home "hair-do"? Just call the Nu Curl Beauty Salon. By the way, another beautician has been added to their staff, Miss Carolyn Sadler, thus making it easier to get an appointment at the Nu Curl.

Happiness dollars are those you invest when you buy the latest models in household appliances such as the General Electric line from the Quinn Furniture Company. Warm weather means busy refrigerators and freezers and the General Electric line tops the list. And men, if you want to really make a hit with your wife, get her one of those late models of General Electric ranges with all the modern gadgets attached, from the Quinn Furniture Company.

For Health and Beauty Aids, Hollowell's Rexall Drug Store is the place to

shop. Right now they're having a Half Price Sale on Tussy Cream and Roll-on Deodorants, regularly \$1.00, now 50c. Also the new Tussy Spray Deodorant, bonus size, \$1.00. For all your cosmetic needs, shop at Hollowell's Rexall Drug Store.

At Ross Jewelers you'll find several wonderful aids when doing your spring cleaning, some of which are silver and brass polishes and tarnish preventatives. The ever popular Tarnishshield, the International silver tarnish preventative, Semichrome brass polish and specially treated polishing cloths, all recommended for keeping your silver and brass ware looking beautifully bright and clean, from Ross Jewelers.

Wouldn't a nice Thick Whip be refreshing these warm spring days. Well, wish no more. It can be real by just driving out to the Tastee Freez. At the Tastee Freez you can always get delicious, nourishing food, such as well prepared fried chicken dinners, shrimp dinners, hamburgers with all the trimmings and, of course, those ever popular French fries. So, for a snack or a full lunch or dinner, drive out to the Tastee Freez.

Here And There

S. F. Small has just completed constructing an open outlet ditch for drainage on one of his farms. Charles Saunders has filled up several ditches to get a much better row arrangement. He plans to construct the new ditches parallel to each other. He also plans on seeding all the field borders to fescue grass this fall. E. C. Bunch recently installed some clay tile drains. Gilbert Hare is planning on planting hairy indigo for a summer cover crop on sandy land. Earl White recently had a tract of woodland marked for thinning by the North Carolina Division of Forestry. Joseph Crisanti constructed several jetties along the sound about three years ago and has proven that something can be done about the sound shore erosion along the sound with the jetties. He is planning to construct more.

District Leaders Meet
Lloyd C. Bunch, chairman of the local board of soil and water conservation district supervisors, reports that the board will meet this Thursday night at the local SCS Work Unit office located in the Post Office. The local board meets regularly to plan coming events for the district program. Of interest at the present is Soil Stewardship Week, May 15-22, in which the supervisors will be getting out material shortly. Also several applications for technical assistance will be considered and acted upon. The public is always welcome to attend the board meetings and participate in the discussions. Supervisors will again this year sponsor a boy from Chowan County at the North Carolina Conservation workshop to be held in Raleigh

Outdoor Tips

from the Ancient Age Sportsman's Idea Exchange

WORMS ALIVE
Moss will keep worms alive. They eat the stuff.

SHARP EDGE
Stroke your knife over a fine stone with soap used as a lubricant. Gives you the finest edge ever.

MATCHBOX
Everybody knows an empty 16-gauge shotgun shell slipped into an empty 12-gauge shotgun shell makes a good waterproof match box. Now you know, too.

SCOPE SAFE
A short length of rubber hose, split open, will fit on your scope and protect it from knocks and scrapes.

HOSED
If the gunwale of your aluminum boat is cold and noisy, cut a garden hose down the middle and fit it over gunwale strip. Rivet fast with aluminum rivets.

WATERPROOF WALLET
If you may take a spill

Library Friends Group Joined By More People

Solicitation for memberships in Friends of the Library moved into the second week in Chowan County with a good response.

Sustaining, student and adult memberships are being sold by a growing list of canvassers. Those added to the list include: Mrs. E. C. Alexander, Mrs. Leo LaVoie, Marie Wheeler, Mary Arrington Bunch, Mary Mac Holmes, Mrs. J. W. White, Mrs. Wesley Chesson, Mrs. Preston Rogerson, Mrs. Kermit Layton and Mrs. E. N. Elliott.

Sustaining members are: George C. Benby and Gray-

overboard, wrap your wallet in a plastic freezer bag and bind it with a rubber band. You may get wet but your wallet won't.

POLISH OFF LURES
Nail polish (comes in the craziest colors these days!) is better than paint for touching up lures. Handy brush keeps cleanup work to a minimum.

CLEAN BUCKET
S'a fact. Clean your minnow bucket out with baking soda every now and then and your bait will live longer.

DRY MATCHES
An empty shotgun shell makes a good waterproof match holder. Seal open end with a cork or strip of tape.

LIVELY MINNOWS
Drop an alka-seltzer tablet into your minnow bucket. Bubbles aerate water, keep bait lively longer.

TAILS YOU WIN
Deer hunters can offer tell when they hit by deer's tail as it bounds away. Tail up, you lose. You probably missed him. Tail down, you win. It's probably a hit.

CARTOP CUSHION
If you have to transport something but your cartop racks are left behind, inflate an inner tube and rest the object on it. Then last down and drive away.

NIGHT ICE FISHING
Buy a roll of reflecto tape and wrap ice tippets with it. Now a flashlight's beam located every one when night fishing.

RED FLANNELS
Make your next gun case out of red flannel. Then it doubles as a scarf, head warmer, emergency bandage, sit down pad or safety deer patch.

son Wood, Mr. and Mrs. Ross Inglis, M. A. Hughes and J. Ehringhaus.

Adult members include: Jean Biggs, Mrs. John Habit, Mrs. Guy Hobbs, Mrs. Herbert Small, Aurelia Layden, Mrs. Henry Powell, Jr., Mrs. Henry Powell, Sr., Mrs. J. L. Pettus, Mary Mac Holmes, Father Joseph Lash and Mrs. Joe Conger, Sr.

Also, Mrs. Joe Conger, Jr., Mrs. George Twiddy, Mrs. Clarence Britton, Dr. A. F. Jownum, Sr., Dr. A. F. Jownum, Jr., F. L. Williams, Frank Williams, Mrs. Julia Bond, Mrs. Carrie Farnhardt and Mrs. B. G. Willis.

And, Mr. and Mrs. George Mack, Mrs. J. N. Pruden, Sr., Mrs. Hector Lupton, Mrs. Elton Forehand, Mrs. J. P. Partin, Mrs. L. F. Amburn, Mrs. Ray Bunch and Mr. and Mrs. Lloyd Bunch.

Also, Mrs. T. W. Jones, Iva Mae Dail, W. S. Skinner, Mrs. Carroll Kramer, Mrs. Eunice J. Lipham, Mrs. J. W. Crabtree, J. H. Basnight, Mr. and Mrs. John W. Wheeler, Mrs. Jackie Ricks and Joyce Harrell.

Student memberships thus far include: Penny Powell, Tillie Cordon, Chris Cordon, Gail Bunch, Raymond Bunch, Elizabeth Williams, Becky Bunch, Sonja Edwards, H. L. Edwards, Donna Wooten, Ronnie Wooten, Mary Perry, Robin Perry, Nancy Twiddy and Betsy Twiddy.

Lunch Room Menu

Menus at the John A. Holmes High School lunch room for the week of April 25 through April 29 will be as follows:

Monday—Weiners, weiner rolls, pork and beans, cole slaw, chocolate pudding and milk.

Tuesday—Spaghetti with neat sauce, toss salad, buttered corn, hot biscuits, butter, peaches and milk.

Wednesday—Hamburger and gravy, hamburger rolls, mashed potatoes, green beans, apricots and milk.

Thursday—Grilled luncheon meat, buttered rice, Lima beans, bread, gingerbread and milk.

Friday—Tuna fish salad on lettuce, bread potato chips, green peas, coconut cake and milk.

OUR SOIL ★ OUR STRENGTH

The Bear Swamp Watershed Planning Committee is continuing to make plans for developing a complete watershed work plan for the watershed. The 15,000-acre watershed is located near Center Hill in Chowan and Perquimans counties. Several meetings of the local interested people have been held in the past several months, according to Archie Lane, drainage district chairman. In fact, a public hearing was held in December for those interested to express their views on the proposed project. Mr. Lane pointed out that the group had made application to the North Carolina Soil and Water Conservation Committee for assistance under the Watershed Protection and Flood Prevention Act in developing the resources of the entire watershed. This application was approved recently by the state committee. The people in the watershed will meet Wednesday night at 8 o'clock in Hertford with Lacy Coates of the Soil Conservation Service Watershed Planning Party Staff in Raleigh, for the purpose of re-
