Jaycees Boost Suttle For Post

The Edenton Jaycees were host to some distinguished visitors this past Saturday evening. The event was the hosting of a First District Jaycees dance for the Jaycees and wives from the eight Jaycee Clubs in the district. In addition to the district Jaycees and wives attending, Bill Suttle of Marion, candidate for national Jaycee president; Irvin Aldridge of Yanceyville, state Jaycee president, and Billy Laughinghouse of Greenville, past northeastern regional director, attended the enjoyable event. The event, held at the Edenton Jaycee building, was sponsored by the Edenton Club to raise money for the Bill Suttle campaign for national president. Suttle, a true leader and dedicated Jaycee, is running a strong first for the number one office of the national Jaycees. The Edenton Club is anxious to help get Suttle elected to this important position. Seven couples from Edenton are planning to attend the national Jaycee convention to be held in Detroit, Mich., next week to work in the campaign.

Flanagan Aids Ahoskie Juniors

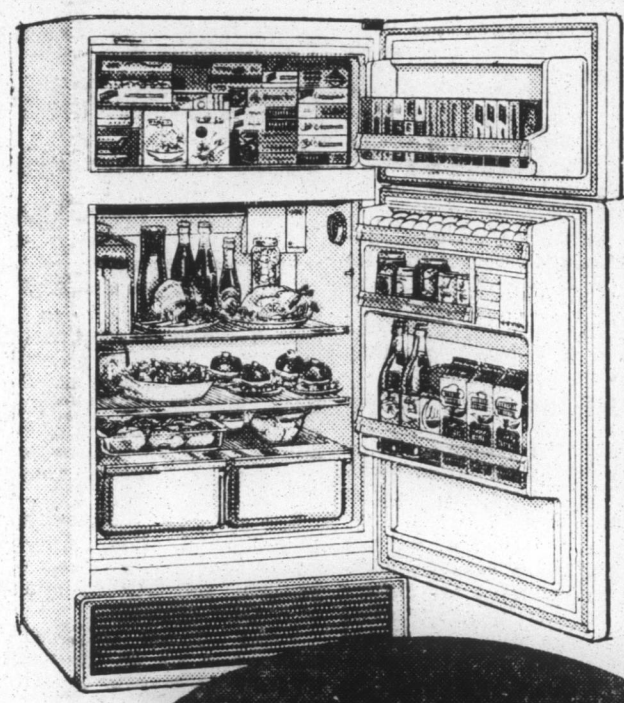

Dwight Flanagan, Edenton athlete, is batting .360 with the Ahoskie American Legion baseball team. Flanagan, who will attend East Carolina College this fall on a full athletic scholarship, was a leading hitter in Ahoskie's 10-3 win over Smithfield Monday night.

Stinks!
A drunk lying on the floor of a bar began to show signs of life, so one of the customers smeared a little limburger cheese on his upper lip. The drunk arose slowly and walked out of the door. In a few minutes he came back in. Then he went out again only to return in a few minutes. Shaking his head with disgust, he said: "It's no use, the whole world stinks."

Labor Survey

toward canvassing the potential workers in the area, many qualified workers may not have been reached. "Experience has shown that once a new plant has located and operations have begun, the number of job applicants usually exceeds the number of workers who have responded to a pre-location survey," Raper stated. Edenton Junior and Senior Chambers of Commerce sponsored the survey in cooperation with the Employment Security Commission of North Carolina.
