

PROMOTE LITTLE LEAGUE PLAY — Earl Jones, right, and Robert Shields, left, are pictured with Howard B. Pullen of Raleigh at Hicks Field prior to an Edenton-Raleigh Little League baseball game here last week. The Edentonians defeated the Capitol City group and are returning the game this week.

Local Juniors Defeat Raleigh

It's off to Raleigh today (Thursday) for the Edenton recreation baseball team as they return a game with the Raleigh Little Leaguers.

Coaches Robert Shields and Earl Jones hope the locals will be successful in their return match with the Capitol City squad, headed by Howard B. Pullen.

Edenton played host to the Raleigh team July 13 and in an exciting pitchers' duel, Stanley Boston was successful in winning the game for the host team, 2-1.

Boston, a 12-year-old right-hander, gave up only three hits while the Raleigh pitcher held the local team to two safe knocks.

Pullen, supervisor of recreation in Raleigh, was a recent visitor in Edenton and through Shields and Jones the two games were planned.

Going along with the 25 team members for a tour of Raleigh as well as the baseball contest will be Robert Mathes, deputy director Neighborhood Youth Corps, and 13 NYC students.

Pullen, Shields and Jones plan to discuss future recreation programs.

Pullen said recreation is building a great future for the youth of today. Shields and Jones are encouraging parents to send or bring their children to the playground on North Oakum Street for daily recreation.

SOCIAL SECURITY Questions and Answers

George Dietrich, Field Representative of the Social Security Administration is in Edenton every Thursday and is located in the old Municipal Building.

(This is another in a series of articles by Thomas P. Wyatt, social security district manager in Greenville, on how medicare will work when it begins in 1966. The information is based on "Your Medicare Handbook," the guide that will be issued to all medicare beneficiaries during June. You may want to clip this article, so as to be fully informed about medicare. The people in the social security office are ready to answer any questions you may have.)

When To Claim Medical Insurance Benefits

You can claim medical insurance benefits as soon as you have expenses for covered services, but no payment can be made until you meet the \$50 deductible amount for the year. It would be better to hold your small bills until they amount to more than \$50 and just make one claim rather than making several claims for small amounts.

Under the payment to patient method, after you have met the \$50 deductible, you can send in a claim as soon as you have paid all or part of the bill for the covered services. (Since in this case payment would be made directly to you, it could only be made on the basis of payments you have made—beyond the \$50 deductible.)

A point to keep in mind about this is that no medical insurance benefit can be paid under the payment to patient method unless you have attached a receipted bill with your claim or have the doctor show in the place provided on the form how much of the bill has been paid.

Under the payment to the doctor method, the doctor who provided the services may file the claim immediately without waiting for you to pay your share of the bill. He can then bill you directly for the amount you owe him. Which method of payment is used is a matter strictly between the patient and the doctor. If the doctor has agreed to your assignment, he agrees that

if the \$50 deductible is met, he will accept the amount paid to him by the medicare program as covering 80 per cent of his bill in this case, he can bill the patient for the remaining 20 per cent of the reasonable charge and any amount over the \$50 deductible still owed.

Your Benefits For Doctor Bills

The benefits to help you pay doctor bills will be your most important protection under the medical insurance program. Benefits may be paid for the medical services you receive from a physician wherever they are furnished—in a hospital, in his office, in your own home or in a clinic.

The medicare law specifically guarantees each person the right to select his own doctor. Nor does a doctor have to sign up or make any special arrangements in connection with his treatment of medicare beneficiaries. All that is necessary is that he be legally authorized to practice medicine or osteopathy in his state.

Kinds Of Physicians' Services Medical Insurance Covers

—Medical and surgical services by a physician—in a hospital, in his office, at a clinic or at your home—wherever they are furnished.

—Services in connection with your physicians' treatment, such as: diagnostic tests, medical supplies, the services of his nurse, drugs which cannot be self administered and similar services which he would ordinarily include in his bill.

—Dental surgery, by a doctor of dentistry or a doctor of dental surgery, but only if it involves major dental surgery and is not just ordinary dental care.

Kinds Of Services Medical Insurance Does Not Cover
—Routine physical check-

Teachers Wed In Church Rites

St. John the Evangelist Episcopal Church was the setting Saturday for the wedding of Mrs. Tamar McClenney Williams and John Thomas Clarke of Tampa, Fla. Rev. Lloyd Alexander officiated.

The bride is the daughter of Mrs. Janie R. McClenney and the late James Robert McClenney.

The bride was given in marriage by her uncle, Herman Hathaway.

Mrs. Santoria L. Reeves was matron of honor. Theodore McClenney, brother of the bride, was best man.

The bride is a teacher in the D. F. Walker High School. Her husband is a teacher in Philip Shaw School, Tampa, Fla.

Both are graduates of St. Augustine's College, Raleigh.

Action Is Brisk

win over the Twins to snap his team's three-game losing streak. George Holmes had four hits to lead the Orioles. Fred Keeter led the Twins with a double and a single in four trips.

July 18—The Orioles won their second straight game and moved within one game of the Twins. The Orioles had seven runs and six hits while committing only one error. The Twins managed six runs off five hits but had three errors. Gi Gi Leary was the winning pitcher and David Copeland hit safely twice to be the hitting star.

Medical Progress

There is little doubt that we have made tremendous progress in medicine during the last generation. What used to be merely an itch is now an allergy.

—Globe-Gazette, Mason City, Ia.

—Eye examinations for prescribing or fitting eyeglasses.

—Hearing examinations for hearing aids.

—Routine dental care.

—Immunizations.

—Services of practitioners such as chiropractors, naturopaths, chiropodists or podiatrists, optometrists, Christian Science practitioners.

Student Reports On Convention

Emily Peele has just returned from the national meeting of Future Homemakers of America, held in St. Louis, Mo., July 13-16.

Emily was one of 1100 FHA delegates representing a national membership of over 600,000 high school student studying home economics.

The St. Louis meeting launched the 21st birthday celebration of the Future Homemakers of America. Emily reports that the historical pageant "The Past Is To Build On," presented by FHA members on the second day of the meeting (July 13) was a real inspiration. She said:

"Our historical pageant carried out the conference theme of '21 Years a Foundation for Progress.' Some of the people who were in or the original plans took part and the pageant ended with a representative of the Home Economics College Clubs lighting the Betty Lamp (symbol of the American Home Economics Association) with these words: 'We have before us the light of home economics—a light which radiates throughout the world. This is the light of our ideals—our purposes, which enable us to make our homes, communities, nation, and world a happier place to live.'"

"The entire meeting was planned and executed by FHA members. Each state delegation had a particular responsibility. Our state was responsible for ushering at the Fifth General Session.

"We learned so much at the meeting it's hard to say what was the most outstanding event. We heard from leaders in the education field held some wonderful workshop sessions, elected our national officers, had a chance to do some sightseeing, and enjoyed a night at the St. Louis Municipal Opera seeing the Broadway hit "Can-Can."

Emily is a junior in the Chowan High School. She is the daughter of Mr. and Mrs. Henderson Ray Peele of Tynner.

With hue like that when some great painter dips His pencil in the gloom of earthquake and eclipse. —Shelley.

A gifted mind is one that easily discovers plausible excuses. People who park automobiles in the wrong places ought to be fined.

With friends like Bob Watson who needs enemies?

Bob's one of the best drivers you'll ever meet. He's never had an accident—never even had a parking ticket. But even the best drivers make mistakes once in a while. And when they do, you've got to be ready for it—by driving defensively.

When you're passing another car, defend

yourself by letting the guy ahead know you're about to pass. Use your horn or lights. And make sure no one's trying to pass you at the same time!

Avoid trouble by anticipating it and you won't end up on the receiving end of some other guy's goof. Not even if he's your best friend!

Watch out for the other guy!
