

**BROAD STREET BULLETIN**

By **Kate**

I walked the shore when the sun came up  
Over the vast wide sea.  
The gulls cried out and the waves sent spray  
On my face as I walked with me.

I was not lonely as I walked  
On my solitary stroll  
It gave me time for deep, deep thought  
And contentment to my soul.

The weather was perfect and the fish were biting, in fact we caught so many that we were forced to lose about 50. It was a wonderful week, our vacation at Nags Head. I still maintain that Edenton's slogan should be, "A good place to come home to."

We received a most interesting and welcome letter from Lena Jones this week, who with Rubby Felts is touring Europe. They were in Italy at the time, having just arrived at the Grand Hotel Mediterraneo in Florence. We had sent them a Chowan Herald to that address, which she said they read from cover to cover. So far they have had a wonderful journey, first a great voyage on the SS France, then in Paris for four days, taking interesting side trips from there. After they left Paris they took a motor coach along the lovely, Mediterranean Sea with stops at the Riviera and Monaco. From there they visited the Leaning Tower of Pisa and the Cathedral of Assisi. Then, too, they visited Vatican City and St. Peter's Cathedral. It sounds like a marvelous trip, and after she wrote to us they were scheduled to go to Venice, Switzerland, Germany, Belgium, Holland, England, and then "home to Edenton."

We were sorry to hear that the Malvin Parhams are leaving Edenton to live in Asheville. They are nice people to know and I'm sure will make many friends in their new location.

According to the Insiders Newsletter, despite generally higher price tags on housewares this fall (up some 5 per cent), you can make your dollar stretch more if you limit your buying to the store's advertised special-purchase items. While virtually all manufacturers of housewares have raised prices on some of their lines, they are also offering more than the usual number of special items for stores' fall promotions, particularly in the cookware line. Teflon-coated cooking and baking

pans will be the most frequently promoted, but you can also look for specials on stainless steel pots and pans, cast iron skillets, mixing bowl sets, coffee pots and various roasting pans. Note: Teflon's durability is said to have been improved, eliminating the early complaints of peeling, discoloration and taste transference.

Here's a sampling of the new beauty products you'll be seeing in stores soon: (1) A special kit that contains everything you need for cleaning and curling your false eyelashes—special cleaning and setting lotions, plus brush and curling frame. (2) A fluorescent light bulb called Optima that is said to give the same colors it would have in natural outdoor light. (3) A professional-type hair dryer that emits a mist of warm moisture, so you can give yourself a quick set without having to wash your hair first.

**Glimpses:**

Spotlights on the Court House and the Cupola House, making them attractive to visitors and townspeople alike.

New faces in the hospital offices, additional help since Medicare.

Two beautiful new homes being built along Pembroke Creek. Also the very attractive new home of the Johnny Woolards on Highway 17.

**Helpful Hints**

Colonel Bill Rosevear tells me that the best way to cook fresh shrimp is to cover them with cold water and bring them to a good boil, then remove from the fire and rinse in cold water, giving tender shrimp.

A small bottle of witch hazel makes a great facial refresher on a long trip.

One soother for sunburn is to soak in a tub of water to which a cup of baking soda has been added.

Keep a clothes hamper in each bedroom—saves a lot of clutter.

Hard work is an accumulation of easy things you didn't do when you should have.

**Club Meeting At Center Hill**

Center Hill Home Demonstration Club met in July with Mrs. Lillian Bunch as hostess.

Mrs. J. C. Boyce, president, called the meeting to order and for her devotion used the 24th Psalm, followed by prayer.

Mrs. Mary Cowper, home agent, was present to give the demonstration on "Spare the Calories". She stressed many ways of saving calories behind the scenes.

Plans were made for a picnic in August at Arrowhead with the entire community invited and with each family to bring picnic foods.

The meeting was closed by the club collect and Mrs. Bunch served refreshments during the social hour.

**Mrs. Artie Bass Taken In Death**

Funeral services were held July 16 for Mrs. Artie W. Bass, 69, who died Thursday, July 14, in a Goldsboro Hospital. She had been ill for three months.

The services were held at Rocky Hook Baptist Church at 3 P. M., with Rev. R. N. Carroll and Rev. E. Clifford Shoaf officiating. Burial was in Beaver Hill Cemetery.

Mrs. Bass, the wife of Herbert V. Bass, was a lifelong resident of Chowan County. She was a daughter of Sidney J. and Mary Goodwin White.

In addition to her husband, she is survived by two sons, Herbert E. Bass and Leonard J. Bass, and a daughter, Mrs. Artie B. Ange, all of Edenton; four brothers: Watson B. White, John F. White and Fred A. White, Sr., all of Edenton; and Lloyd G. White of Venice, Fla.; a sister, Mrs. Blanche W. Bunch of Edenton; nine grandchildren, and a great-grandchild.

*when we advertise a special, we always have an ample supply but...*

Sometimes... not often, but sometimes, the special is more popular than we imagined.

So we do run out. But if we do, please

ask the manager for a "rain check"

An A&P Rain Check entitles you to buy the item, at the same special price, the following week.

We try never to disappoint you ...

we always want to be fair.

Is this a good reason for shopping A&P?

It's one of many.
