founded the first family in Adam and Eve.

How can we expect our children to respect God's Word if we do not teach them the meaning of it? How can we expect our children to deal kindly with others if they are witnesses to physical and emotional cruelties between a man and his wife? How can we expect them to grow in maturity if—before them—they see nothing but immaturity? Let's take a good long look at our home life, in comparison with that of Joseph and Mary—and then let's do something about it!

Magazine Sale Slated By Band

The John A. Holmes High School Band will conduct its annual magazine campaign starting on Monday August 15 and lasting until Friday, August 26.

In past years this campaign has been highly beneficial not only to citizens of Edenton and Chowan County but to the band as well. The campaign offers citizens selection of over 100 currently popular magazines. Many are sold at reduced subscription rates. The band receives a commission on all magazine sales and uses the money to purchase new music and instruments. Thus some of Edenton's magazine money remains in Edenton and serves a good cause.

The magazine campaign and band practice will start on August 15 at 9 A. M. at the Holmes High School Bandroom. All band members, grades eight through 12 are requested to be present.
