As an adult customer you are issued only one master "Lucky Bingo" card. When you have turned in a winning card, you will receive another card. As an adult customer you will also receive a "Lucky Bingo" ticket each time you visit our store. (No purchases are necessary.) On this ticket will be a mystery chip. The hidden side of the chip will reveal a number. When a number appears, simply insert the chip in the master "Lucky Bingo" card over the matching number. You continue to do this until you have a complete line—horizontal, vertical or diagonal. You then have a winning number and may return the card to our store for verification, and after signing a consent and receipt form, you receive the award for the straight line of numbers you have completed. Save all duplicate and extra numbers you may have, to start a new card. There is no limit to the number of times you can win. Each time you win, you will be given a new master "Lucky Bingo" card.
