Well, with the Christmas decorations just about disappeared in the business section, as well as in homes, the holidays are now over and maybe things will soon be back to normal again. No doubt many people thoroughly enjoyed the holiday season, but just the same a lot of 'em are glad it's all over-and here's one of 'em. However, like Mrs. Jerry Evans says, "Christmas is a time of sharing not only with those who have plenty, but it is a joy to think of the less fortunate, the lonely and those not thought of at Christmas. "It's a great joy doing and giving the small things that make others' Christmas bright. It's a joy to make new friends from year to year - but don't forget the old ones, too."
