

For And About Women

PAGE THREE—SECTION ONE, THE CHOWAN HERALD JANUARY 12, 1967.

AUXILIARY SLATE INSTALLED—Mrs. R. and H. Vaughan, right, Monday installed officers of the Chowan Hospital Auxiliary. Shown, left to right are: Mrs. Robert Boyce, re-elected president; Mrs. John Lavezzo, vice president; Mrs. J. D. Elliott, secretary; and Mrs. David Wright, treasurer.

Group Is Headed By Mrs. Boyce

Mrs. Robert Boyce was re-elected president of the Chowan Hospital Auxiliary, to serve a second term, at the auxiliary's January 9 meeting.

To serve with her are: Vice president, Mrs. John Lavezzo; secretary, Mrs. J. D. Elliott, and treasurer, Mrs. David Wright.

In her president's report for 1966, Mrs. Boyce noted that a very successful membership drive had been conducted early in 1966, and that the profit from the Hospital Auxiliary ball was more than \$600, influencing the Auxiliary to make it an annual affair.

With the proceeds from the ball, a whirlpool bath and piano were bought for

the convalescent home, and for both the home and the hospital, adjustable bedside lamps and manicure sets were bought.

The auxiliary endorsed the November, 1966, hospital bond issue and was the first organization to bring a question and answer program about it to the public.

The auxiliary supplied several newspaper subscriptions for the patients, made plastic bibs and small pillows, and did mending for the hospital.

Flowers were placed in the hospital each week and trees were decorated at Christmas, with door decorations being put in the convalescent home.

The \$200 scholarship was continued, with two girls now in nursing school and doing exceedingly well.

For the upkeep of the grounds, \$150 was allocated and \$150 was given for the doctors' library in the hospital.

A bridge marathon was sponsored to make money for the hospital, and pencils were sold at election time.

A Health Careers Club was organized at the high school, with 50 girls and boys enrolled, and with Mrs. L. P. Williams, Jr., as the sponsor.

After her report, Mrs. Boyce announced that the 1967 Hospital Auxiliary ball will be at the Chowan Golf and Country Club on Saturday night, February 4, with Mrs. Richard Hardin and Mrs. Warren Twiddy as co-chairmen.

Mrs. Jack Leary heads the membership drive, which begins immediately.

Eight members volunteered to help with the January 29th measles clinic to be held at the health department.

Ladies, if you really want to please the boss of your house, try giving him for dinner one of those delicious and tender steaks from the P & Q Super Market. Now, after all that rich Christmas food, steak sounds extra good, doesn't it? The P & Q store is featuring such steaks as porterhouse, sirloin, T-Bone and round steaks. Another good change in the menu should be barbecue at \$1.25 per pound. Pork loin and Harrell's smoked picnics are a good buy this week, too. Along with all these extra good selections in meats, there's seasonable vegetables such as collards, kale and cabbage. Shop at the P & Q Super Market—you'll be glad you did.

The folks at the Western Auto Store are really enjoying themselves this week unpacking a great big shipment of new merchandise, among which are major household appliances, refrigerators, freezers, color television, washing machines, etc. All appliances from the Western Auto Store are especially priced for modern everyday living at its best. Be sure to stop in at the Western Auto's Family Store and look over their new merchandise.

The fabulous after Christmas Clearance Sale is being continued at Tarkington's with one-third to one-half off on all fall and winter merchandise in order to make room for their most attractive line of new spring clothes. One particular item on sale is a group of children's long sleeve cotton blouses, two for the price of one, cash sales only, at Tarkington's.

"Who takes all those pills?"

This is often the question when a customer sees the shelves in our pharmacy. Row on row on row of bottles, boxes, canisters, tubes, vials, jars... about 2,000 items in all. Good question. Who are they for? The answer, of course, is you. Say you go to a physician and he writes a prescription which you bring to us to be filled. We can't tell what the ailment will be—there are thousands, and we don't know what medication the doctor will prescribe. To provide prompt pharmaceutical service we have to be ready for just about anything. Which we are.
