### Hill To Teach Course In Art

Ben Hill, director of the Art Center of the College of the Albemarle in Elizabeth City, is anxious to teach a course in basic painting here if a few more high school students or adults express interest.

The spring course will be held Thursday afternoons from 4:30 P. M. to 6:30 P. M. in the Art Studio over Edenton Savings & Loan Association. The cost is \$20. Supplies will be available in Edenton.

Hill expects mostly beginners, but he will be able to handle a few more advanced students. Those interested should call Hill or Mrs. Ross Inglis.

Another art class, for children is already underway. It is being taught by Mrs. Vivian Clark, art director for Edenton City Schools.

Both courses are sponsored by Chowan Arts Council.

The things taught in schools and colleges are not an education but the means of education.
