

Mrs. Hendrix Granted Journalism Fellowship

Mrs. Marvis H. Hendrix of Tyner has been granted a fellowship at the University of North Carolina at Chapel Hill to participate in a seminar in the School of Journalism.

Mrs. Hendrix is faculty advisor for The Chowanian, award winning student publication at Chowan High School.

The fellowship for study June 9-29, was granted by The Newspaper Fund, Inc. Mrs. Hendrix's application was sponsored by The Chowan Herald.

The intensive seminar is designed by Dean Wayne A. Danielson for teachers who desire to revise and improve the courses they offer, and to improve personal skills in writing and editing.

Paul S. Swenson, executive director of the fund, said his group is enthusiastic about the seminar. "They (the directors) are confident that it will provide you with the inspiration to develop better publications, to enhance the teaching of journalism and to guide more talented young people into newspaper careers," he said.

The Chowan teacher is the wife of J. Robert Hendrix, a teacher at Suffolk, Va., and the mother

of two daughters. She received her degree from East Carolina College and taught at Elizabeth City for two years prior to joining the faculty at Chowan 11 years ago.

Mrs. Hendrix has been the guiding hand behind The Chowanian since joining the Chowan faculty. In addition to journalism, she teaches typewriting, shorthand and bookkeeping. She is vice president of Business Education Teachers of the Northeastern District, NCEA, and a member of Pi Chapter, Delta Kappa Gamma, honorary teachers' society.

Stewardship Week Planned

Soil Stewardship Week will be observed April 30-May 7, according to Lloyd C. Bunch, Chairman of the Albemarle Soil and Water Conservation District.

"This makes 13 years that Soil and Water Conservation Districts have called upon the public to consider the moral responsibility of caring for our natural resources," Bunch said in making the announcement.

"The emphasis for our observance this year is upon the private landowner's responsibility," Bunch said.

"The stewardship of a piece of God's earth calls for a special sense of service," Bunch said. "The landowner knows that the responsibility entrusted to him is unique. How each bit of land is tended affects neighbors near and far. That is one reason why millions of landowners join together and participate in soil conservation district programs."

Booklets and bulletin inserts will be furnished the churches again this year to use in the observance by the local district.

Ministers and laymen who desire assistance in preparing for a soil stewardship observance should contact Bunch, Route 1, Edenton.
