## Demonstration At Gum Pond

The Gum Pond Extension Homemakers Club met March 27 with Mrs. Charlie Peele. Mrs. Florine Nixon, president, called the meeting to order with all singing "All Creatures of Our God and King."

Mrs. Charlie Peele read the 28th chapter of Matthew, after which the club collect was repeated in unison. Mrs. Marvin Smith gave the treasurer's report. Old and new business was taken care of by the group.

Mrs. Frances Ward gave a demonstration on "Coordinating Color Throughout the House." Mrs. Ward stated that planning is necessary if the end results are to be satisfying. Mrs. Ward went on to say that pale colors make rooms seem larger; strong colors make a room seem less spacious. Color based on yellow and red gives warmth to a room and colors based on blue and green give coolness to a room.

So, in planning our color scheme we must consider size of house, relation of rooms to each other. Also size and shape of each room. Most of all,

## Meeting Held By Witnesses

Several Edenton residents were among the 960 delegates who attended the three-day circuit convention of Jehovah's Witnesses in Washington recently.

M. E. Beltrami, presiding minister of the Edenton congregation, headed the local delegation.

"Our world today seems to be faced with a growing indifference to God, the Bible and the moral standards set forth in it," said Beltrami. "The assembly's theme 'Supply To Your Faith Endurance' stressed the need for each Christian to examine his own faith in the face of growing criticism, and prepare himself and his family to stand firm in the difficult days ahead."

Beltrami said that the new, color film "God Cannot Lie", shown on Sunday afternoon of the assembly to a packed-out audience, highlighted not only the story of the Bible from beginning to end but also the fulfillment of Bible prophecies, proving that God lives.

life dedicated to the concept of Christianity. It was often stressed by Jesus in His teachings for He was well aware that just about every human problem He encountered had its roots in sin of one sort or another, giving rise to spiritual problems—His own personal realm. We do well, therefore, to heed the counsel of the Great Physician, and repent of our sinful ways before we approach Him. For only in the measure of our approach will we receive the solace and the strength we expect from our religion.

Johnson, Circuit Supervisor, were key speakers at the event. The semi-annual seminar was sponsored by the Watchtower Society of New York.
