

# 4-H's Get Achievement Awards 4-H Fund Goal Met in Area

By PAMELA WILLS  
4-H Council Reporter

The 4-H County Achievement program was held at Center Hill Community Building December 6. The program revealed outstanding work done by 4-Hers. The audience was thrilled with inspiration as 4-Hers and leaders received awards and certificates.

The program included Don Evans as vice president, presiding; devotion by Fay Parrish, Yeopim 4-H Club; song leader, Diane Peedin, Cross Roads Senior Club; pledge of allegiance led by Charlie Johnson, Edenton Senior Club and 4-H pledge led by Charlotte Layton, Rocky Hock 4-H Club.

For entertainment Cross Roads Club favored the group with two dances. The entertainers were Robin Hendrix, Chris Hollowell, Shelia Byrum and Vickie Leary and Jill Hendrix and Julia Byrum a duet. Bobby Backus, Edenton Junior Club, presented a piano solo.

Seventy-two awards were presented to 4-Hers and five to leaders by county agents. County winners were as follows:

in industry and among the three and a half million men and women in the armed forces.

Special ceremonies at the council recognized 150 years of ABS Scripture donations to the armed forces of the United States and their allies as well as 25 years of similar service to the Boy Scouts of America. A plaque from the USS Polaris submarine John Adams was presented to the society in appreciation for the 50,000,000 copies of ABS Scripture donated to the armed forces which was recently placed on board the Polaris somewhere at sea. In addition each crew member received a special inscribed copy of the society's new runaway best seller, "Good News for Modern Man," the New Testament in Today's English Version. The ceremony celebrated the first ABS gift of Scriptures to the military—65 Bibles to the crew of the USS John Adams, a corvette of 24 guns in November, 1917. Commonly called the "TEV" the popular paperback hit the eight million circulation mark during the council's closing session, exactly 14 months after publication.

The council also recommended top priority for more closely relating ABS Scripture to Christian education programs of the society's supporting churches, testing English Scriptures with reader aids and study helps for high school and college students, Bible readings for children and special Scriptures for families with children who have exceptional problems. In addition, the society was urged to explore the possibility of preparing the Scriptures for special "inner city" programs.

Fourteen counties in the Northeastern District of North Carolina have completed a goal of \$19,015 for the N. C. Development Fund.

These counties raised \$19,232 to support various phases of 4-H Club work in North Carolina, particularly in the areas of camping, awards, scholarships and the International Farm Youth Exchange programs, according to Dr. T. C. Blacklock, state 4-H leader.

"Each county in the state has been working toward the completion of a goal for the 4-H Development Fund, the sum total of which will add up to be about \$500,000," Blacklock remarks.

Seventy-three counties in the state have completed their fund quotas, raising more than \$345,000.

"Of six North Carolina Agricultural Extension Service districts, the Northeastern District is the first to complete its quota," the state 4-H leader reports.

Chowan County's suggested goal was \$1,048 and the amount actually received was \$1,091. In Perquimans County, the goal and amount received was \$1,113.

### Simple Arithmetic

"I suppose, like many other husbands, you can't say what your wife pays for her hats and dresses."

"Oh, yes, I can — too much."  
"But, joking aside, have you ever stopped to figure out how much your wife's clothes cost you?"  
"It isn't necessary. I simply add my income to what I owe."

**HONOR SOCIETY OFFICERS**—New officers of the National Honor Society chapter at John A. Holmes High School were installed during ceremonies Monday afternoon at the school. Don Jordan, second from left, was installed as president, and Malcolm Dixon, vice president. They are flanked in the above picture by Carroll Lassiter, treasurer and Carol Bryant, secretary. A reception followed the installation in the Home Economics Department.
