

**WINNINGEST COACH AND FRIENDS** — Bill Billings, right, of Middletown, Del., and former coach of the Edenton Aces, returned to the area Monday to speak at the Elizabeth City Rotary Club. He renewed acquaintances later in the day with Edentonians and discussed prior football campaigns with former players at John A. Holmes High School. Getting a bang out of a Billingsism are Haughton Ehringhaus, left, and Claude Griffin. Billings, in six years at Middletown, became one of the nation's winningest coaches as his teams won 53 straight ball games without a defeat. His Middletown team this year finished the season 8-2, dropping the final two games to schools much larger than Middletown.

**EDITOR'S NOTE:** Below are authoritative answers by the Veterans Administration to some of the many current questions from former servicemen and their families. Further information on veterans' benefits may be obtained at any VA office.

Q. Is a veteran given preference in obtaining private employment?

A. A veteran is aided in obtaining private employment by the Veterans Employment Service of the U. S. Department of Labor. This work is carried on through the local state employment offices in each of the 50 states. A veteran also has some re-employment rights for the job he held prior to going into service. Full details may be obtained at the nearest state employment office.

Voting for the approval of the constitution will take place tomorrow. Grades 7-12 are eligible voters if they have registered. Registration days were Monday and Tuesday of this week.

Chowan Bulldogs ventured to Camden to once again meet the Rebels Tuesday night but scores were not available at press time.

The first conference basketball game of the season will be played tomorrow night when the Bulldogs meet the Cape Hatteras Blue Devils at Hatteras.

Christmas will soon be here and as a result, the Christmas edition of the "Chowanian" has been published. The paper staff issued this paper to the student body today.
