Transfer Of Cotton Allotments By Sale Or Lease

Cotton producers in Chowan County may sell or lease their cotton allotments to other cotton farms in the county. They may also buy or lease allotments from other cotton producers.

December 31 is the final date to file an application to buy, sell or lease cotton allotments. The ASCS office will maintain a list of producers from other parts of the state who wish to buy, sell or lease their

allotment.

1967 Wool Program
Wool producers are reminded that the 1967 marketing year under the wool and mohair program ends December 31, 1967. This means that payment for the 1967 year will depend on completing, by the end of the year, all details of marketing wool, mohair or lambs such as (a) passing title to the buyer; (b) delivering wool or mohair to the buyer; (c) transferring control to the buyer, and (d) having available all the information needed to determine the buyers' total price.

Applications for 1967 marketing year payments under the National Wool Act may be filed with the ASCS county office at any time. Incentive payments under the wool program are based on the average national price for marketings during the whole year. This can be determined more exactly if reports on marketings are complete. We urge you, therefore, to file all 1967 year applications before January 31.

Payments for the 1967 marketing year will likely begin in April of next year.

Reminder: Return peanut marketing cards after all sales are completed.

8 Chowanians In UNC-G Class

GREENSBORO—Ninety-six of North Carolina's 100 counties are represented by graduate and undergraduate students enrolled this fall at the University of North Carolina at Greensboro.

Among Tar Heel counties, only Camden, Clay, Graham and Hyde are not represented by students in the current UNC-G student body.

Thirty-eight of the nation's 50 states also have sent students to UNC-G during the current academic year. Also represented are the District of Columbia, Brazil, Canal Zone, France, Honduras, Korea, Okinawa, Puerto Rico and Thailand.

Last year the enrollment figures showed 93 counties and 36 states represented at UNC-G. A total of 746 students at UNC-G are from out-of-state this year; last year the figure was 732. UNC-G students from North Carolina now total 4,619. The total enrollment for 1967-68 at UNC-Greensboro is 5,365.

There are eight students from Chowan County who are presently attending UNC-G.

A&P It isn't easy to buy bean coffee!

Nowadays, very few stores offer you bean coffee.

Why does A&P still offer coffees in the bean?

Basically, because "We Care."

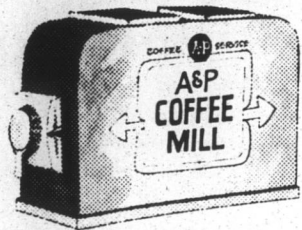

Specifically, because we know these facts:

The coffee bean is nature's seal that holds the flavor.

Once that seal is broken by grinding, flavor fades...

NO MATTER HOW IT'S PACKAGED.

The shorter the time between grinding the beans and brewing your coffee, the greater the flavor.

So if you want the finest cup

of "The Think Drink" you've ever tasted,

buy and brew one of A&P's three Bean Coffee blends...

Eight O'Clock, Red Circle or Bokar.

Not every store can offer you custom-ground bean coffee.

A&P can and does.

Shouldn't A&P be your store?
