If you've walked near the P & Q Super Market this past week, you've no doubt noticed their luscious looking locally grown strawberries which were selling like "hot cakes," which reminds me that they will have them again this week, and did you know that they are delicious with hot biscuits? Tender, frying size chickens are a good buy this week, too, at only 27c a

pound; chuck roasts at 37c; cubed chuck steaks at 89c; Gwaltney's franks at 49c and fresh ground beef at 49c a pound. Fresh produce is in abundance, including locally grown May peas at your home-owned P & Q Super Market.

Hollowell's Rexall Drug Store, in order to help you with your graduation gift buying, will suggest to you this week many ap-

propriate and "wanted" gifts for the "Miss Graduate" on your list. Of course, perfumes by Lanvin, Chanel and Yardley are always welcome. Then there's the Lady Remington electric shaver, an Eastman camera or a cordless electric manicure set. Cosmetics of all kinds are always acceptable gifts and, by the way, Hollowell's Rexall Drug Store will gift wrap free.

Tarkington's, where fashions for summer are in abundance, offers, this week, a full line of inexpensive summer cottons in sizes 12 to 24½, in cool colors and styles for the warm days ahead. Bathing suits for ladies up to size 44 are available, too, in the very latest styles. Also, that new and popular pants dress for children and the "young Miss" is yours for selection at Tarkington's.

If you'll look in the window at the Quinn Furniture Company, you'll see a number of attractive and modern dinette suites in seven-piece sets for only \$69.50 complete. Right now is the time to buy one of these handsome sets from a choice of different colors to suit your family and home. Then, too, you can use their easy payment plan at the Quinn Furniture Company.

Ross Jewelers, certainly, is the right place to browse around and make your selection of a suitable gift for the young graduate. Heading the list is the ever popular Caravelle watch. Then, of course, there are many other suggestions, such as Scheaffer pens and pencils, Speidel watch bands, pendants, bill folds, St. Christopher medals, key chains, tie tacs and many other gifts of jewelry. You can get them gift wrapped, too, at Ross Jewelers.

Gene's 5c and 10c Store is ready for summer and happy vacation time, with so many wonderful summertime fun-items. There are several sizes of inflatable swimming pools, large beach balls, swim rings, surf boards and sand toys. For keeping and serving ice-cold drinks, there's many sizes of ice chests and picnic jugs. For outdoor living and eating, there's all sorts of lawn furniture and portable barbecue grills—at Gene's 5c and 10c Store.

The Griffin's Musicenter, where "Music Fills the Air," knows that most all young people enjoy the happiness of music—so they offer you these suggestions as gifts for the 1968 graduate. What could be nicer or more welcome for vacation time than a new transistor radio by Chanel Master or a portable record player by Chanel Master? Then, of course, all the newest and most popular recording albums are available for the perfect gift from Griffin's Musicenter.

Western Auto Store's Parade of Values Sale begins this week, with a wide array and full selection of many wonderful bargains. It's lawn mowing time, so for a certainty you'll be interested in one of the Wizard riding mowers or power mowers, priced especially for this sale. Since vacation time is right here, why not treat the family with a deluxe, fam-

ily size swimming pool for the low price of \$99.98. It's time, too, for outdoor living, so save now and relax all summer with outdoor furniture from the Western Auto Store.

The Betty Shoppe is now offering you the American Tourist luggage—the only luggage jet-flight tested by the American Airlines. An introductory offer for a short time only is the weekender for men or women, the regular price being \$32.95, now selling for only \$24.95. So hurry down to the Betty Shoppe and make your selection from colors of red, green or blue American Tourist luggage. By the way, this luggage is a great suggestion as a gift for your favorite 1968 graduate—from the Betty Shoppe.

**Cotton Referendum**  
Cotton growers in Chowan County are voting by mail this week on whether or not to permit transfer of 1968 cotton acreage allotment to other counties by sale or lease.

If at least two-thirds of the growers voting favor transfer, growers will be permitted to transfer allotments by sale or lease to farmers in other counties within the state. All eligible voters were mailed a ballot on May 10. If you are an eligible voter and did not receive a ballot, visit the Chowan ASCS office this week. All ballots must be returned or postmarked no later than Friday, May 17. Certification on reverse side of the return envelope must be signed or the ballot cannot be counted. Ballots will be tabulated in the county office on May 22, 1968.

**Cotton Failure**  
Any cotton which fails before May 24, 1968, must be replanted to cotton in order for the farmer to be eligible for payment under the 1968 cotton program. Cotton failure after May 24, 1968, must be reported in writing to the ASCS office and be approved by the County ASCS Committee before the land can be planted to another crop. The farmer must pay \$5.00

for the cost of making a farm visit to inspect the failed acreage. This is necessary in order to determine if the failed cotton acreage will be eligible for credit as planted acreage for program payments, price support and history purposes.

**Farm Certification**  
Farmer certification will be used again this year to determine crop acreage and land uses. Under this method, farmers are responsible for informing the County ASCS office about their crop acreages and land uses. After the certification is made, the farmer will not be permitted to dispose of any excess crop acreages. After crops have been certified, a substantial number of farms will be spot-checked by measuring crop and land use acreages. If the measured acreage does not comply with program requirements there will be no further opportunity to adjust acreages to regain program compliance. The final date to certify is June 30, 1968. Please visit the county office and file your acreage report when all crops have been planted.

Don't forget to return your cotton ballot by Friday, May 17. The individual "with an idea" is often a nuisance to his friends.
