According to Wilder, timely applications for licenses, together with the correct remittance, should be mailed to the North Carolina Department of Revenue, Raleigh, N. Shopping With You In Mind

By KATE

Your choice of a food store is never more important than it is when you're buying fresh meats, fruits and vegetables, and you can always depend on just that when you shop at the P & Q Super Market. This week there's a big savings on fresh, tender Beef with Boneless Shoulder Roast at 65c a pound; Ground Chuck Steak at 59c; Cubed Steak at 89c; Chuck Roast at 37c and Boneless Chuck Roast at 57c a pound. Then, of course, it's time for all the local vegetables, such as fresh Corn, Squash, Snap Beans and Cucumbers. Fresh fruit is plentiful now, too, so shop for freshness, tenderness and price at the P & Q Super Market.

More farmers harvest more peanuts with Lilliston Combines than with any other make in the field.

Fifty-four years of pioneering know-how pays off for these farmers — harvest after harvest year after year.

They know when they've got something good going for them. In fact — the best!

Overwhelming testimony proves the Lilliston first in the field.
