### SUNDAY SCHOOL LESSON FOR THIS WEEK

Continued from Page 8

torical background? We need, first, to be aware of the fact that when the Northern Kingdom (Israel) fell before Assyria, the best of the people of Israel were taken into captivity, and that in the course of time the captured Israelites intermarried with the Assyrians. We also need to know that when the Southern Kingdom (Judah) fell to the Babylonians and were taken captive, the Jews from the Southern region kept themselves to themselves, and the bloodline was thus "unadulterated." After 70 years, when these Jews returned to their homeland, they made plans for rebuilding the Temple. Some Samaritans, hearing of the plan, very generously journeyed to Jerusalem and offered their help in the project, but were bitterly repulsed. And as it was that the Samaritans returned to their homeland, and determined to build their own Temple on Mount Gerizim.

Knowing these background facts, the Scriptures become much clearer to the student, and carry much more weight. One realizes the portents of Christ's actions, and is both overwhelmed by its nuances, and is inspired to have courage. For Christianity needs that same dogged courage and "free-

thinking" today that it did then. How courageous a Christian are YOU? Preaching When politicians agree, the angels may rejoice but the voters just wonder what's cooking. —Globe, Boston.
