TOPS Club Is Now Seeking New Members

TOPS (Take Off Pounds Sensibly) came into being because there was a great need for an organization to help the overweight. Founded in Milwaukee in 1948 by Esther S. Manz, with four members, it achieved great success because it has no commercial interests. It concerns itself entirely with relief from excess poundage and a study of its underlying causes.

TOPS is a non-profit organization based on the principles of "group therapy." Group therapy in TOPS means getting together those who have a problem in common, discussing it frankly without fear of being laughed at or misunderstood. It is not a "course" of short duration. It is a planned continuing program dedicated to helping the overweight. TOPS excludes "gimmicks" and "fads."

Members are urged to get their diet, exercise program and any needed medication from their doctor, who is also asked to advise the member's desired normal weight goal.

TOPS, through incentive, encouragement, studies in nutrition and proper eating habits, urges its members to take off pounds sensibly through consistent weekly losses.

From the four members who started this wonderful club in Mrs. Manz's kitchen in 1948, the 1966 computed figures show there are now 5,922 chartered chapters with 147,433 members in the United States and abroad. The total loss for 1966 was 1,420,195 pounds (or 701.1 tons). North Carolina alone reported a weight loss of 7,419 pounds from their 39 chartered chapters.

To join the club a member must have at least 15 pounds to lose and must join TOPS National Headquarters in Milwaukee.

If you are interested in taking off those unwanted pounds (sensibly) call 221-4488 or 482-4265 and they will set up an informal meeting to explain all the rules and details. The Colonial TOPS meet at Arrowhead Beach Club House each Thursday night at 8:30 o'clock.

TOPS Pledge
 I am an intelligent person.

I will control my emotions, not let my emotions control me.

Every time I am tempted to use food to satisfy

my frustrated desires, build up my injured ego or dull my senses.

I will remember, even though I over eat in private.

My excess poundage is there for all the world to see what a fool I've been.
