

Shopping With You In Mind

By KATE
Ladies, are you thinking of re-doing or re-decorating your home for the Fall season? Well, why not start with one of those very attractive bedroom suites now on display at the Quinn Furniture Company? You can't help but notice the exquisite workmanship in detail in this furniture by Drew. The boudoir lamps by Cambridge and the unusual chairs by Tenna Original accentuate the beauty of this beautiful furniture. Just window shop and you will be bound to want to buy—from the Quinn Furniture Company.

Are you often puzzled as to what would be an appropriate gift to take to a sick friend who is hospitalized or confined at home? I noticed this week when shopping that at Hollowell's Rexall Drug Store there are ever so many gift suggestions, such as candies by Whitman, bath powders and colognes by Lanvin, Yardley and Rexall for men and women, note paper and many different magazines and paper back books. So you see, it really isn't a problem when you shop at Hollowell's Rexall Drug Store.

Those bloomin' bargains at Rose's are not only "bloomin'", they're bursting out all over the store. For instance, there's the ladies' Capris Pants of stretch denim, regularly \$2.94, now selling at \$1.84; 7-piece bath ensembles in assorted colors, regularly selling for \$3.88 and are now \$2.97; proportioned length ladies' slips were \$1.99 now \$1.38. These and many other wonderful buys are bloomin' bargains at Rose's.

At Ross Jewelers you'll find an excellent variety of all sorts of attractive

clocks to suit the decor of any room in your home. Lovely boudoir clocks, mantle clocks, desk clocks, travel clocks and many unusual wall clocks for your home or for elegant gifts. I noticed, too, that you can get handsome birthstone rings for men, signet rings and Masonic and Eastern Star rings at Ross Jewelers.

Now is the time to start making your selections for "back to school" clothes for the children. At Gene's 5c and 10c Store a quite good selection of girls' dresses in sizes 6 to 14 has just been received, all in carefully chosen colors and styles for Fall weather. Ladies' slacks and blouses are a "new" also for the cool days ahead. By the way, be sure to take advantage of the drastic reductions of children's playwear at Gene's 5c and 10c Store.

There isn't a woman anywhere who isn't thrilled at the idea of having lovely lingerie. At Tarkington's now there's a wonderful new supply of the famous Pinehurst lingerie, including mini slips, Peignor sets, slips, bras and pants to match. Bikini pants in all the new colors of sherry, in fact most all kinds of lovely lingerie in all sizes, now, new at Tarkington's.

This is the week to enjoy beef at its best, for at the P & Q Super Market there's excellent buys on boneless round steak and shoulder steaks at \$1.05 per pound and boneless round roast and shoulder roasts at 95c a pound. Lean ground beef is on special, too, at only 57c and your favorite pieces of chicken. Legs and breasts are selling for only 39c a pound. And to quench thirsts for the whole family, you can get three 46-ounce cans of Hawaiian punch for \$1. Hall's

1½-pound size bread is selling at the low price of 29c. Then, of course, there's always a large supply of fresh fruits and vegetables at the P & Q Super Market.

At the Western Auto Store there's always a large supply of furniture for the entire household at extremely low prices which can't be beat. This week they're featuring baby furniture, including play pens and the new patio crib, made with a covered top for protection. Then, of course, there's strollers, walkers and many other conveniences to make baby comfortable. And for indoor drying clothes this rainy weather, you can get a small folding drying rack, too, from the Western Auto Store.

Just let a woman get blue or "down in the dumps" and there's nothing like a new hat to make her happy again. Now at the Betty Shoppe the new Fall bonnets are arriving daily in all the exciting colors of Autumn. First on the list is the velvet hat, then the blended furs, the velours and felts by Adolfo, Betmor and Jackie. Remember, September will soon be here, so be first in fashion with a new hat from the Betty Shoppe.

Just talked to Irma Allsbrook of the Nu Curl Beauty Salon, and she tells me that she has just received a shipment of many beautiful and attractive but inexpensive wigs. No worry now about your hair as there's fashionable wigs in every color and style. So why not drop in the Nu Curl Beauty Salon and get in the swing of fashion with a new wig or hair piece?
