

BROAD STREET BULLETIN...

By Kate

The memories of some flowers
Are the ones that I hold dear,
Because my Mother loved them,
Her names for them I hear.

There were Blue Flags in the Spring,
And Fall Flowers in September,
In between came Chiny Asters,
Beautiful Pineys I remember.

Now we have Iris in many colors,
Chrysanthemums in Bronze and Gold,
Lovely Asters blooming brightly,
Rosy Peonies I behold.

There are many old-fashioned names for flowers and many people call them the old-fashioned way. One thing for sure, these are the flowers that we love to grow.

We've had delightful company this weekend — Buff Lance and his wife Doris from Columbia, S. C., and Dorothy from Elizabeth City. It was fun listening to them telling by-gone days and saying who was right. We were so lucky to have them.

Only the sun would stay shining. I can't help but get the zizzy-wigs when it's rainy and cloudy. Cuts my fishing down!

This is a special time of

Sharpe Selected for Math Seminar

Thomas Sharpe, mathematics instructor at Elizabeth City State University, will participate in a six week summer institute in mathematics for college teachers of mathematics at the University of North Carolina at Chapel Hill.

A native of Edenton, he received his B.S. degree from North Carolina A & T State University, Greensboro, and his M.A. from New York University. He has done further study at Columbia University, New York City, Stonehill College, North Easton, Massachusetts, Ohio Wesleyan University, Delaware Ohio and the University of North Carolina.

The program is designed to upgrade the teaching of mathematics on the college level with emphasis on analysis and higher level algebra.
