

Post Is Sought By Prosecutor

WILSON—Charles B. Winberry, the 28-year-old chief prosecutor of the Seventh Judicial District, has announced his candidacy for the presidency of the Young Democratic Clubs of North Carolina.

Winberry presently serves as first vice president of the State Young Democratic organization.

The new state president will be elected at the annual convention to be held in Winston-Salem on September 25 and 26.

Pledging himself to a "year of hard work," Winberry said he would place special emphasis on organizing Young Democratic Clubs in each of North Carolina's 100 counties.

"Young people in every section of the state who believe in the principles of the Democratic Party should have an opportunity to work in and become a part of an active, progressive, issue-oriented YDC group," Winberry stated. He also pledged to make the State Young Democratic group more responsive to issues that will face the 1971 General Assembly and serve as a "conduit" of public opinion on the issues facing the state. Not-

ing the need for new political methods, Winberry proposed that the Young Democrats become the training arm of the state party not only in training future leaders but also in training precinct and county organizational leaders.

Selected as the state's "Outstanding College Young Democrat" in 1965, Winberry has been active in Young Democratic circles for 10 years. In 1964 while serving as chairman of the College Federation of Young Democrats, the number of organized college YDC groups reached an all-time high of 31. During the past year, he has served as legal counsel to the Governor's Study Commission on the Party Organization. He is also a member of the Wilson County Democratic Executive Committee.

A native of Statesville, Winberry is a graduate of Wake Forest University and its School of Law. While at Wake Forest, he served as class president, president of the Omicron Delta Kappa Leadership Society and Justice of Phi Alpha Delta Law Fraternity.

Continuing a tradition.

Golf News By Pro Law Dexter

What's holding everyone back? Only 10 players signed up for the club championship. Come on, fellers. This is your tournament, so let's get going and make it a big one. There will be two trophies in each flight, so everyone has a chance to win a nice trophy, plus helping to support your club.

Our greens are in beautiful shape and let's all help keep them that way by repairing our ball marks on the green. A lot of players are not doing this and it leaves a hole in the green and a discolored spot, and if a few players leave them this way, pretty soon you have a horrible cut the fairways, but it sure does look nice out there. I want to thank everyone for being so patient this last week in as far as not being able to cut the course. There was so much water there, no way to even put the tractor on the course, let alone cut the grass. When the grass is wet like it was, the (the mower) just rolls over the top of the grass.

Well, keep your head down and follow through. It's well to remember that neither wealth nor position makes a man a gentleman.

Sunday School Lesson

Continued from Page 2

protection of God, who had said: "Vengeance is mine." His life was thus protected. This was the only measure of security God could provide for him in a hostile environment; it was the best God could do for a sinner who was unrepentant of his sins.

The violences we are experiencing today in our national life are, likewise, a spiritual problem. Evil deeds spring from evil thoughts. We, like Cain, will find that the fruits of hate bear only more bitter than the last. For us, as for Cain, the only adequate answer is to revel in the peace of God, and the containing of it in our hearts.

Cain's outlook to the contrary, each man is his brother's keeper. Christ was acutely aware of this when He refused to eat meat at a certain feast (not because it offended Him) but lest it lead another man to break the religious laws which were bowed to by devotees of a particular sect. Christ lived without offence to His fellowmen. We would do well to emulate Him.

It's easy to find an excuse for delaying hard work. Obey the rules of the road if you want to live longer.
