

BROAD STREET BULLETIN...

By Kate

The writer of this column remains a patient in Chowan Hospital, still too weak to write. However, Mrs. Charles Newcomb, a patient just across the hall, gave this poem which both she and Kate appreciate:

I walked the road to sorrow,
A road so dark with care,
So lonely, I was certain
That no one else was there.

But suddenly around me
Were beams of light, stretched wide;
And then I saw that Someone
Was walking by my side.

And when I turned to notice
This road which I had trod,
I saw two sets of footprints—
My own—and those of God.

Albemarle Rally Slated To Boost Jones Campaign

ELIZABETH CITY — Plans for the First Congressional District of North Carolina. A life long Democrat, Jones serves as a member of the important House Agriculture and Merchant Marine committees.

Tom Watts, Pasquotank Jones Campaign Chairman, explained the purpose of the rally. "We want to give the citizens of the seven Albemarle counties an opportunity to express their appreciation to Rep. Jones for his services to our area," Watts stated, "as well as an opportunity to show their support for his campaign." "He is an outstanding and highly respected Congressman who has always had the interest of our area at heart," Watts added.

All citizens of Chowan, Perquimans, Gates, Pasquotank, Camden, Currituck and Dare counties are cordially invited to attend the rally.

Jones, a native of Farmville, is presently completing his third term in the House of Representatives, representing

Savings Bonds Sales Are Good

Sales of Series E and H United States Savings Bonds in North Carolina during July amounted to \$4,914,527, an increase of 11.2 per cent over sales in July of last year.

Cumulative sales in North Carolina for January through July amounted to \$38,053,345, which is an increase of 3.7 per cent over the same period a year ago. This represents 60.1 per cent of the state's 1970 dollar goal of \$63,300,000.

R. Graham White, Chowan County volunteer chairman, in making this release pointed out that the new one-half per cent bonus on U. S. Savings Bonds makes a good product even better. This bonus brings the rate on Series E bonds purchased on and after June 1, 1970, to 5 1/2 per cent when held to maturity of five years and 10 months, with a first year rate of 4 per cent. All outstanding bonds will also be improved, starting with the first interest period after June 1, 1970, if held to maturity or beyond.

Savings Bond sales in Chowan County for July were \$4,828.00. January-July sales totaled \$53,314.00. This represents 63.8 per cent of Chowan County's goal of \$83,556.00, according to White.
