

Chowan Pastor Returns 'Home'

Rev. M. B. Motts, pastor of Center Hill Baptist Church of Tyner and the Great Hope Baptist Church of Hertford, was one of the speakers on Sunday at the bi-centennial celebration of the Goucher Baptist Church of Gaffney, S. C.

This church was constituted in 1770. Records in the court house at Spartanburg, S. C., indicate that the church was first called Goshen Baptist Church. The church has had three buildings including the present brick structure built in 1961.

The present structure is of colonial design and has an auditorium with full basement and balcony, and a three story educational building.

Others taking part in the week long celebration are: Dr. A. Harold Cole, executive secretary of the South Carolina Baptist Convention; Rev. C. C. Alsbrooks, pastor of the First Baptist Church of Warrenton, S. C.; Dr. Carl Bates, pastor of the First Baptist Church of Charlotte, and president of the Southern Baptist Convention; Dr. E. Gibson Davis of the First Baptist Church of Spartanburg, S. C.; Rev. M. R. Chastain, pastor of the Oak Bowlers Baptist Church, Hartwell, Ga.; Rev. Max Evington, pastor of the Pleasant Ridge Baptist Church, Shelby; Rev. J. C. Rice, pastor of the Poplar Springs Baptist Church of Poplar Springs, S. C., and president of the South Carolina Baptist Convention, and Rev. C. Ed. Schiabe, pastor of the Goucher Church.

The Goucher Church is the home church of Mr. Motts and licensed him to preach in 1956, and ordained him in 1958.

The whitetail is an animal created by the stresses and pressures of 15 million years of evolution. It reached this continent, probably in the middle Miocene period, via an isthmus that existed between Siberia and Alaska. The whitetail, a tough and beautiful animal, still remains abundant after four centuries of intense sport hunting.

'Hire Veterans' Week In Progress

November 1-7 is Hire a Veteran Week, as proclaimed by Gov. Robert W. Scott.

There are 41 veteran applications for work at the Edenton branch of Employment Security Commission. Ten of these veterans are handicapped, according to Roy Blackley, veterans employment representative.

In 1966 the "Cold War GI Bill" was signed conferring on approximately 3.5 million men and women who served in the armed forces since the Korean War the status of veteran. In addition, the Defense Department estimates that in 1970 more than one million new veterans will be discharged and over one million in 1971.

Gov. Bob Scott emphasized the theme of jobs for everyone and especially for veterans. The motto for Hire a Veteran Week is "A Time to Serve Them."
